2023-2024

Parent Involvement Program

Charlotte Anderson Preparatory Academy

Parental Involvement Policy

Charlotte Anderson Preparatory Academy will involve parents in the joint development of the Title 1 plan and the process of school review and improvement. This will include annual review/revision of parental involvement policy and Title 1 compacts.

An adequate number of parents will work collaboratively with our Title 1 committee in an organized, ongoing, and timely way, in the planning, review, and improvement of the Title 1 program.

Annually the school will convene a meeting to which all parents are invited to learn about the schools participation in the Title 1 program and of their right to be-involved.

Parents will be provided a description and explanation of the curriculum in use at the school, the forms of assessment used to measure student progress, and the proficient levels students are expected to meet. This will occur through the MISD website and information from teachers and school officials.

Parents will receive a timely response to their suggestions and correspondence.

The school will seek participation from parents in actively participating in the planning and implementing of a parent involvement program.

Parents will be welcome as an integral part of the educational process of their children, in accordance with policies of the campus and district.
