

CALVERT COUNTY PUBLIC SCHOOLS
Prince Frederick, Maryland 20678

NOTICE OF VACANCY

DATE

POSITION:

Health Services – Registered Nurse – RN (10-month)

LOCATION:

To Be Determined

POSITION SUMMARY:

The registered nurse serves as the leader of the school health nursing team. The registered nurse utilizes the nursing process, which is the systematic application of knowledge and skills used in assessing situations, deciding the course of action, implementing the action, and evaluating the outcomes. The registered nurse functions independently in the school setting and makes the decisions about how care is provided and who provides the care to the students in the school. The registered nurse manages the process of assessment, evaluation, maintenance and improvement of the health of students and staff; strengthens and facilitates the educational process by improving and protecting the health status of students; participates in the identification of and assists in the removal or modification of health-related barriers to learning in individual students; promotes the prevention of illness and disability as well as early detection and correction of health problems. One of the primary roles of the school nurse is to support student learning by serving as an advocate and liaison between the home, the school, and the medical community regarding concerns that may affect a student's ability to learn.

REPORTS TO:

Principal and School Health Supervisor
