BIOGRAPHY

Welcome to Rising Scholars Academy of South Texas! My name is Debbie Delgado, and I am looking forward to an awesome year as your sixth grade English Language Arts teacher. This will be my eleventh year in the classroom as a reading and writing teacher, and I know it will be the best year yet! My learning experience has been a positive one; I can only hope the same for all my students. In 2012, I received a bachelor's degree in communication studies from the University of Texas-Pan American. Upon receiving my degree, I was accepted into Teach for America as a 2013 Corps Member. I began my teaching career in 2013 and have been in the classroom ever since. In December of 2021, I received a master's degree in educational leadership from Lamar University and am currently pursuing a school principalship certification. I grew up in San Benito, Texas but now reside in Harlingen. My husband Thomas and I are the proud parents of our ten-year-old daughter named Ruby. She is a rising 5th grade student at Wilson Elementary, enjoys playing the violin, and looks forward to being an RSA Rocket next school year! I most definitely value my time spent with my family. You can find us at the beach, cooking out, or at the movie theatre.
