RELATIONS WITH PARENT/BOOSTER ORGANIZATIONS

To enhance communications between parents and school officials, the Committee encourages the maintenance of formal parent organizations at each school building. For this purpose, the Committee will officially recognize a parent organization at each building. These procedures will be observed:

1. Organizations will be officially recognized upon request by the building Principal who will file a copy of the organizational papers with the Superintendent.
2. A vote, open to all parents of children enrolled, will designate the organization to be recognized if more than one organization makes the request.
3. All parent organizations shall obtain 501C3 status and file appropriate paperwork with state authorities and make proof of such status available to school district administration.
4. All parent organizations need to recognize that spending on student activities must comply with federal law relating to equity among student genders.
