VI. Special Presentations to the Board

A. Start Strong Test Score Presentation – Presenter Dr. Bernardo:

Dr. Bernardo led a PowerPoint presentation on Start Strong. He explained that it was a test to measure how students did on the prior year's learning standards. Testing was done in ELA (Gr. 4-10) Math (Gr 4-8) & Science (Gr. 6,9 & 12). The tests were administered to all students. The results were broken down into three categories, Strong support needed, Some support needed, and Less support needed. Dr. Bernardo explained that he was not permitted to show state results as a comparison.

Dr. Bernardo stressed that the test was difficult. He gave an example of a science question. He noted that staff is given the ability to see all the questions and how students responded.

Dr. Bernardo began with the ELA testing results. He showed a chart of how students did by school and by cohorts. He stated that Park Ridge students did extremely well on the ELA tests.

Next, Dr. Bernardo reviewed the Math scores. He reported that while students generally did very well, the one exception to this was Algebra 1. The reason is that the group of students who are tested in this area have not yet seen the material being tested. This is due to how Park Ridge structures their courses. The results showed that Park Ridge students had strong test scores both by school and by cohort.

Lastly, Dr. Bernardo reviewed the science scores. He stated that this test was especially difficult as it tested multiple years of experience instead of just the previous year. Overall, Park Ridge had strong testing scores by school. He explained that he could not do a cohort comparison but did provide results by sub-group.

Dr. Bernardo then explained that once the test results were received, staff met in grade level teams and reviewed the data. Staff are able to see down to the level of each question and who got what wrong. They then make use of after school time to offer students help. The district has also utilized grant funding to facilitate that process. He also commented that the district is looking at the I&RS process to identify students earlier.

Mr. Bradler asked if the test will be going away. Dr. Bernardo commented that they were told last year it would not be back but then it did come back. He has not heard anything from the Governor's office and so is adopting a wait and see approach.

VII. Hearing of Citizens-None

Agenda Items Only

Hearing of Citizens will be restricted to three minutes per person for a total of fifteen minutes for questions and/or comments on agenda items only.

VIII. Student Representative's Report

Ms. Vitale reported that class fund raisers are on-going. She stated that students are looking into resurrecting a previous tradition of doing an overnight stay at the school. They have spoken to Officer Lange about it. The plan would be to schedule activities in the gym for students. She then reported that the student body is looking into a phone free, tech free day. Once again, they are planning a Field Day again this year. She reported that it was very successful last year.

IX. President's Report

Mr. Bradler reported that he attended the Marching band dinner. He commented that it was great to see so much support for the students. He was also happy and proud to hear the sports teams were all doing well. He then provided a brief update on the locker room project. The district is planning to go out for bid in March and complete the project sometime in September of 2024. He then thanked Dr. Bernardo for his presentation.

X. Superintendent's Report

HIB Update

Dr. Gamper reported that there were no new HIB cases.

He then stated that bids were opened for the West Ridge bathroom project. He was happy to report that the bids came in under last year's project budget.

Dr. Gamper then reported that the Board is moving forward with the installation of Class 3 officers. Currently, they are finalizing an agreement with the Park Ridge Police department. The next step after that will be for Chief Madden to conduct interviews with interested candidates. Dr. Gamper was hopeful that the Board could appoint someone by mid to late March. He is planning to have a meet and greet for the Community.

Dr. Gamper commented that he also attended the Marching band dinner at Seasons and thought it went very well.

Dr. Gamper stated that the district is looking to open a 3/4 year old ABA class. This is due to a large number of students who currently need to go out of district. He felt parents would prefer to have their child receive services at Park Ridge. He is currently working with Ms. Connolly on this.

XI. BOE Committee Reports

Education – reported that they met on 1/10 with Mr. Lederman and Mr. Kopelman to talk about potential new offerings for business classes. They also spoke with Ms. Casatelli on an AP environmental class opportunity. A recommendation was reviewed for new AP Biology textbooks. They discussed class sizes for the 2023-24 school year and heard a presentation by Dr. Gamper on offering a district ABA program.

Finance – Met on 1/18 to discuss the 2023-24 budget. They reviewed the budgetary CAP calculations and discussed the purchase of a vehicle for use in student transportation.

Personnel – Met to discuss the upcoming negotiations with the PREA. They will be meeting again tomorrow.

Policy – Met on 1/18 to update the Facility usage request process. They reviewed the new form and recommended some changes. They are working through categorizing groups based on how they align with resident usage. They are also looking at groups like PRAA and what it costs to run events vs. what the district charges. Still working to come up with a number.

Buildings & Ground/Security – Met to discuss the proposed security guard.

XII. Supplemental Agenda

Supplemental resolutions, if any, will be available the night of the meeting.

XIV. Hearing of Citizens

Hearing of Citizens will be restricted to three minutes per person for a total of thirty minutes for questions and/or comments on non-agenda items only.

A resident asked when the new school psychologist would start working at East Brook.

Dr. Gamper responded that the position was just approved tonight. They will start no later than March 24th.

A resident asked for an update on the East Brook Cell phone system. Mr. Wright responded that the district received a quote that was quite high and came with no guarantees. They are looking into other options at this point.

Dr. Gamper added that a comment was made at the last meeting that Police radios do not work at East Brook. He stated that this was not true. There is currently no issue with them. He added that there are land line telephones in every classroom. Any Teacher can use the telephone to trigger the LENS system and alert Police. There is no lack of communication. He also added that Paras have radios if there is an issue outside of the building.
