## ROBERT ROMERO

MATH

### BIOGRAPHY

My name is Robert Romero and I am proud to call Rising Scholars Academy of South Texas my home. I have been teaching Mathematics for 11 years. I hope to instill a love of learning in all my students.

In 2011, I graduated from the University of Texas Brownsville with a bachelor's degree in Interdisciplinary Studies with an emphasis in Mathematics. In 2014, I completed my master's degree in Educational Leadership.

I live in San Benito with my four children. I enjoy spending time with my family, catching a red drum at the island, or watching an exciting Texans game with friends.
