### BIOGRAPHY

Hello, my name is Mireya Galvan and I am proud to be your RSA librarian as well as the yearbook sponsor, Battle of the Books sponsor/coach, social media specialist, and webmaster.

Born and raised in the Rio Grande Valley, I have a bachelor's degree from the University of Texas at Brownsville where I majored in Interdisciplinary Studies with a minor in English and Kinesiology. Additionally, I received a Master's in Library Science degree from Sam Houston State University. I began my teaching career in 1999 and became a librarian in 2005 for a combined 24 years in education.

I currently live in Palm Valley, Texas with my husband Michael and daughter Mikayla. I also have two sons, Jorge and Samuel, a grandson Sammy Jr, and grand-daughter Paisley. I enjoy spending time with my family, reading, and traveling.
