### 2023-2024 DISTRICT EDUCATIONAL IMPROVEMENT COUNCIL (DEIC)

#### MEETING AGENDA MINUTES

#### 1. 2024-2025 Academic Calendar

##### 1.1. [2024-2025 Academic Calendar Development and Adoption](#)

##### 1.1.1. Review and provide feedback on DCC proposed calendars.

The DEIC provided the following feedback:

- 3 similar calendars need to be combined into one, which will be called Calendar A.
- Calendar B should be a differentiated calendar that provides an alternative selection different and apart from Calendar A.
- The TM community associates the district/calendar with NCJLS. Providing a calendar with this option prevents alienating this community group.

##### 1.1.2. District Calendar Committee will convene to review DEIC feedback and finalize calendars.

- Zoom meeting is scheduled for Wednesday, December 13 from 4:30-5:30 PM.
- This will be a bonus meeting for the Calendar Committee to convene once more and review the two current proposed calendars for any remaining changes.

#### 2. 2023-2024 Teacher of the Year

##### 2.1. Discuss and Consider Selection Process

- DEIC is comfortable leaving the process as is. Feedback on the process itself included clarifying the definition of a “classroom teacher” to be “certified teacher”. Making this change will eliminate confusion for staff assigned to the classroom but that are not the teacher of record.
