BIOGRAPHY

Greetings and welcome to Rising Scholars Academy of South Texas! I am Elvis Reid, your 7th Grade English Language Arts instructor and a proud member of Team Intergalactic. With two years of prior educational experience, I am eager to embark on my inaugural year here at Rising Scholars Academy after completing my degree at UTRGV.

Originating from Brownsville, Texas, my commitment to education is complemented by a passion for family, canine companionship, music, art, literature, and the indispensable allure of coffee.

In the upcoming academic term, my objective is to empower students through a comprehensive exploration of literature and language, thereby enhancing their preparedness for the challenges that await them in the future. I am dedicated to establishing a dynamic and intellectually stimulating learning environment, fostering curiosity, critical thinking, and a genuine enthusiasm for the English language.

I anticipate a year of mutual growth, academic achievement, and collaboration with the esteemed students of Rising Scholars Academy. Together, let us make this scholastic journey both rewarding and impactful.
