#### VI. Special Presentations to the Board

##### A. Test Score Presentation – Presenter Dr. Bernardo:

*Dr. Bernardo presented the Start Strong results. He explained that this was designed as a one-time test to be used by districts as a diagnostic tool to test learning loss due to the pandemic. It was not meant to be a comparative test. The test itself was given on the previous year's standards. Ms. Ballaera then spoke about who took the test. The ELA was done for grades 4-8, Math was 4-8 and Science was 6,9 & 12. The results given as 1, 2 or 3 where 1=strong support needed, 2=some support needed. 3=less support needed. She then described the question types, how they were presented and scored. Dr. Bernardo then described the Math side of the testing. He explained that they did a deep dive into the standards. Direct questions were asked. Mr. Lederman then reviewed how the district did with the use of charts. Overall, the district did well. He did point out an anomaly with Algebra 1, explaining that the reason Park Ridge did not do well in this area is because we have a different curriculum than was tested for the 8<sup>th</sup> grade. Dr. Bernardo stated that many districts had similar issues.*

*When the Science results were reviewed, Dr. Bernardo commented that Park Ridge does not offer science in all grades. He indicated that was why the district did not do well in 12<sup>th</sup> grade Science scores.*

*Mr. Stokes reviewed the results from East Brook. He stated that students did well and was encouraged given all the obstacles they faced. He praised the staff and students for their resiliency.*

*Mr. Kirkby also reported good results at West Ridge. The indicators showed that students were exceeding the standards. He also praised the students and staff for finding ways to learn during the pandemic.*

*Dr. Bernardo then explained that the asterisks on some of the charts means that the group size was less than 10 and the data cannot be reported.*

*Mr. Fiedeldey then explained what is being done to help those students who need it. He thanked the Child Study Team for being flexible and holding numerous IEP meetings. The IEP team met with each family to see what support they needed. The team will be providing these services through the end of the year.*

*Dr. Gamper thanked Dr. Bernardo and Ms. Ballaera for their presentation. He spoke about what has been done since the data from the tests was received. This summer, the district is planning to run a Summer OWL academy similar to last year. The district will also be providing additional homework work.*

*Ms. Ruhle complemented the staff on how they held students together. She was pleased and proud of the school.*

*Ms. Wagner asked what was being done for students who were in the red.*

*Mr. Fiedeldey responded that compensatory education is not solely based on Start Strong. A lot of districts are currently not providing this and are waiting. He was proud that Park Ridge is providing this support now to help students move forward.*

Park Ridge will continue as if things are status quo. He thanked everyone who was involved in working on this, indicating that staff and Board members spent a lot of time working on it and went to numerous meetings.*

## **X. Superintendent's Report**

---

### **HIB Update**

*Dr. Gamper reported that there were no HIB investigations at any school since the last meeting.*

*Dr. Gamper stated that case numbers are coming back down. Staff absences are at normal levels. Student absences are also back to normal. He said that the first two weeks after recess were not easy. Teachers were covering extra classes daily just to keep the doors open. If not for them, the district could not have remained open. The district will undergo QSAC on February 16th.*

*Dr. Gamper also commented that he would like to review substitute pay. He stated that the hourly wage needs to be adjusted to keep up with surrounding districts.*

## **XI. BOE Committee Reports**

---

*Community Relations met on 1/13 and discussed three Board goals. They also looked at textbooks being offered in the High School. They discussed having a Springtime seminar for parents on the technology used in the district. Also, Schedule E stipends were reviewed.*

The committee requested an unhoused student report in anticipation of new construction in town. The information is due back soon.
