PHONE: (661) 722-0716

RFQ: E-rate Category 2 Equipment
RFQ NO: 01 (2024/2025)
Posting Date: December 13, 2023

PLEASE RESPOND ON THE FOLLOWING FORM(S), BY ENTERING YOUR PRICES FOR THE ITEMS LISTED. WHERE APPLICABLE, INDICATE ALTERNATE BRAND, MODEL, ETC. DISTRICT RESERVES THE RIGHT TO AWARD BY LOT OR ITEM. PLEASE DIRECT QUESTIONS TO THE DISTRICT REPRESENTATIVE CONTACT LISTED BELOW. DELIVERY IS WESTSIDE UNION SCHOOL DISTRICT, 41914 50TH STREET WEST, CA 93536. PAYMENT TERMS NET 30 DAYS.

RESPONSE REQUIRED BY 10:00 AM PST ON DUE DATE TO THE EMAIL ADDRESS LISTED BELOW.
EMAILS MUST INCLUDE THE RFQ NUMBER IN THEIR SUBJECT LINE.

DUE DATE: February 07, 2024 10:00 AM PST
RFQ NO: 01 (2024/2025)

CONTACT: Chris Soliz
PHONE: (661) 722-0716 x77007
EMAIL: bidinfo@westside.k12.ca.us

IMPORTANT NOTE: PLEASE INCLUDE SUB-TOTAL, APPLICABLE DISCOUNTS, SHIPPING & HANDLING, SALES TAX AND TOTAL COST ON YOUR QUOTATION.

QUOTATIONS MUST BE AS SPECIFIED OR EQUAL. ALL EQUIVALENT OR ALTERNATE ITEMS MUST INCLUDE SPECIFICATIONS DEMONSTRATING EQUIVALENCY. THE DISTRICT RESERVES THE RIGHT TO REQUIRE SAMPLES OR WORKING DEMO EQUIPMENT ON-SITE FOR TESTING, PRIOR TO AWARD AND FINAL SELECTION OF BRAND AND/OR MODEL, BASED ON REQUIREMENTS AND INFORMATION SUPPLIED BY VENDOR. THE DISTRICT IS UNDER NO OBLIGATION TO PROCURE ANY ITEMS OR SERVICES, OR TO PROCURE ANY ITEMS OR SERVICES FROM ANY PARTICULAR SOURCE OR UPON ANY PARTICULAR BASIS. ALL SAMPLES OR DEMO UNITS WILL BE RETURNED AFTER TESTING IS COMPLETE.

RFQ CMAS/NASPO Requirements

For the purposes of this RFQ, the term “Service Provider” and “Vendor” may be used interchangeably and have the same meaning, whether stated or not.

All Service Providers/vendors responding to the posted Form 470 are to be listed as California Multiple Awards Schedule (CMAS) and/or NASPO VALUEPOINT Service Providers. Public Contract Code (PCC) Sections 10290 et seq. and 12101.5 include approval for local government agencies to use CMAS for acquisition of information technology and non-information technology products and services.

A local government agency is any city, county, city and county, district, or other local governmental body or corporation, including the California State Universities (CSU) and University of California (UC) systems, K-12 schools and community colleges empowered to expend public funds.

FOR CMAS: In addition to the requirements outlined in this RFQ, service providers may be subject to additional requirements as outlined in the CMAS Program:

<https://www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Acquisitions/California-Multiple-Award-Schedules>

For NASPO VALUEPOINT: All proposals must be submitted by NASPO VALUEPOINT Authorized Resellers that have been approved by the State Contract Administrator.

Public Contract Code sections 10298-10299 allow the Department of General Services, Procurement Division (DGS-PD) to enter into cooperative purchasing agreements with other states. Cooperative agreements are available to all State of California governmental entities (State departments, agencies, cities, counties, school districts, universities, etc.) that expend public funds for the acquisition of both goods and services.

The DGS-PD has elected to participate in the following multi-state cooperative agreements established by other states participating in the NASPO ValuePoint Cooperative Program and other cooperative programs as specified in the link below.

<https://www.dgs.ca.gov/PD/Services/Page-Content/Procurement-Division-Services-List-Folder/Find-Leveraged-Procurement-Agreements>

It is the responsibility for service providers to familiarize themselves with CMAS and/or NASPO VALUEPOINT requirements.

E-RATE SUPPLEMENTAL TERMS AND CONDITIONS

Signed copy to be returned with proposal and/or bid response (“Proposal”) in response to this Solicitation (“RFP/RFB/RFQ”).

The Telecommunications Act of 1996 established a fund by which Schools and Libraries (“Applicant” or “Applicants”) across the Country could access discounts on eligible telecommunications products and services. The program is commonly known as the E-rate Program. The eligibility for discounts on internet access, telecommunications products and services, internal connection products, services and maintenance is determined by the Federal Communications Commission (“FCC”). Funding is made available upon application approval by the Universal Service Administrative Company (“USAC”), which was established by the Act. The amount of discount is based on the numbers of students eligible to receive free and reduced-price meals.

1) E-RATE CONTINGENCY

The project herein may be contingent upon the approval of funding from the Universal Service Fund’s Schools and Libraries Program, otherwise known as E-rate. Even after award of Agreement(s) and/or E-rate funding approval is approved, the Applicant may or may not proceed with the project, in whole or in part. Execution of the project, in whole or in part, is solely at the discretion of the Applicant .

2) SERVICE PROVIDER REQUIREMENTS

The Applicant expects Service Providers to make themselves thoroughly familiar with any rules or regulations regarding the E-rate program.

- a. Service Providers are required to be in full compliance with all current rules and requirements and future rules and requirements issued by the FCC and USAC throughout the agreement period of any Agreement entered into as a result of this RFP/RFB/RFQ.
- b. Service Providers are responsible for providing a valid Service Provider Identification Number (“SPIN”). More information about obtaining a SPIN may be found at this website: <https://www.usac.org/e-rate/service-providers/step-1-obtain-a-spin/>
- c. Service Providers are responsible for providing a valid Federal Communications Commission Registration Number (“FRN”) at the time the Proposal is submitted. More information about obtaining an FRN may be found at this website: <https://fjallfoss.fcc.gov/coresWeb/publicHome.do>
- d. Service Providers are responsible for providing evidence of FCC Green Light Status at the time the proposal is submitted. Any potential Service Provider found to be in Red Light Status must provide an explanation of the steps it is undertaking to be removed to Red Light Status and the expected timeframe for resolution. A Service Provider's sustained Red Light Status may be grounds for termination of the Agreement as it could prohibit the Service Provider from providing E-rate discounts in a timely manner which would cause harm to the Applicant. More

information about FCC Red and Green Light Status may be found at this website:

http://www.fcc.gov/debt_collection/welcome.html

- e. Products and services must be delivered before billing and E-rate discounting can commence. At no time may the Service Provider invoice before July 1, 2024.
- f. Prices must be held firm for the duration of the associated E-rate Funding Year(s) or until all work associated with the project is complete (including any Agreement and USAC-approved extensions).
- g. Goods and services provided shall be clearly designated as "E-rate Eligible." Non-eligible goods and services shall be clearly called out as 100% non-eligible or shall be "cost allocated" to show the percentage of eligible costs per USAC guidelines.
- h. For Category 2 equipment or services, within one (1) week of notification of award, the awarded Service Provider must provide the Applicant a bill of materials using a completed and most current and appropriate version of USACs "Bulk Upload Template" (formerly known as the Item 21 attachment) located at <https://www.usac.org/e-rate/applicant-process/applying-for-discounts/fcc-form-471-filing/>. Subsequent schedules of values and invoices must match the Bulk Upload Template and approved Funding Request Line Items or subsequent approved service substitutions. If the service provider's proposal consisted of pricing per eligible location, a summary sheet and summary Bulk Upload Template must be provided to describe the cumulative amount for all sites.**
- i. In the event of questions during an E-rate pre-commitment review, post-commitment review, and/or audit inquiry, the awarded Service Provider is expected to reply within 3 days to questions associated with its proposal.
- j. The awarded Service Provider is required to send copies of all forms and invoices to the Applicant prior to invoicing USAC for pre-approval. Failure to comply with this requirement may result in the Applicant placing the vendor on an "Invoice Check" with the USAC: <https://www.usac.org/e-rate/applicant-process/invoicing/invoice-check/>.
- k. Service providers must comply with the FCC rules for Lowest Corresponding Price ("LCP"). Further details on LCP may be obtained at USAC's website: <https://www.usac.org/e-rate/service-providers/step-2-responding-to-bids/lowest-corresponding-price/>.
- l. Service providers must not propose any equipment or services produced or provided by companies, their parents, affiliates, and subsidiaries, found to pose a national security threat to the integrity of communications networks or the communications supply chain as required by FCC rules. See <https://www.usac.org/about/reports-orders/supply-chain/>. Any proposed solution including Covered Equipment or Services as defined by the FCC will be disqualified. If, after award of the project it is found Covered Equipment or Services are included, the award and/or Agreement will be considered to be null and void. See <https://www.fcc.gov/supplychain> for further information on FCC requirements.

m. SPAM and/or robotic responses will not be considered valid Proposals and will be disqualified from consideration.

n. Any Service Provider proposals identifying contingency fees such as allocations for change orders, tariffs, or other speculative fees not specifically called out for in the scope and/or terms of the RFP/RFB/RFQ will automatically be included in the Proposal price and subject to evaluation unless otherwise specified in the RFP/RFB/RFQ. Contingency fees not pre-approved by the Applicant will not be allowed.

3) SERVICE PROVIDER ACKNOWLEDGEMENTS

a. The Service Provider acknowledges that no change in the products and/or services specified in its proposal will be allowed without prior written approval from the Applicant and a USAC service substitution approval with the exception of a Global Service Substitutions. See <https://www.usac.org/e-rate/applicant-process/before-youre-done/service-substitutions/>.

b. The Service Provider acknowledges that all pricing and technology infrastructure information in its Proposal shall be considered as public and non-confidential pursuant to §54.504 (2)(i)(ii).

c. The Service Provider acknowledges that its offer is considered to be the lowest corresponding price pursuant to § 54.511(b). Service Providers found not to be providing Lowest Corresponding Price (LCP) may be required to repay any identified overcharges to USAC. The Service Provider acknowledges that LCP is solely the service provider's responsibility and it will not hold the Applicant liable, or seek reimbursement from any applicant, for any appeals, commitment adjustments or funding recoveries.

d. The Service Provider attests that its offer does not violate the FCC's Supply Chain certifications included in the FCC Form 473. Supply Chain requirements and certifications can be viewed at USAC's Website: <https://www.usac.org/about/reports-orders/supply-chain/>.

e. This offer is in full compliance with USAC's Free Services Advisory <https://www.usac.org/e-rate/applicant-process/competitive-bidding/free-services-advisory/>. There are no free services offered that would predicate an artificial discount and preclude the applicant from paying its proportionate non-discounted share of costs. The Service Provider agrees to provide substantiating documentation to support this assertion should the applicant, USAC, or the FCC request it.

4) STARTING SERVICES/ADVANCE INSTALLATION

Category 1 Services

The annual E-rate Funding Year begins on July 1 and expires on June 30 of each calendar year. Regardless of the Agreement's "effective date," E-rate eligible goods and/or services requested in this RFP/RFB/RFQ shall be delivered no earlier than the start of the 2024 funding year (July 1, 2024). If Category 1 services (Telecommunication Services and Internet access) will begin on or shortly after July 1 of a funding year, the service provider, in some cases, may need to undertake some construction and installation work prior to the beginning of that funding year. Within the limitations indicated below, the infrastructure costs of a service provider can be deemed to be delivered at the same time that the associated Category 1 services begin. That is, if services begin on July 1, then the delivery of service provider infrastructure necessary for those services can be considered as also delivered on July 1. However, NO INVOICING can take place prior to July 1 of the associated Funding Year.

Early Funding Conditions

Category 1

There are four conditions that must be met in order for USAC to provide support in a funding year for Category 1 infrastructure costs incurred prior to that funding year.

- *Initiation of installation cannot take place before selection of the service provider pursuant to a posted Form 470 and in any event no earlier than six months prior to July 1 of the funding year.*
- *The Category 1 service must depend on the installation of the infrastructure.*
- *The underlying Category 1 service cannot have a service start date prior to July 1 of the funding year.*
- *No invoices can be submitted to USAC for reimbursement prior to July 1 of the funding year.*

For more information, please refer to the FCC Order involving the Nassau County Board of Cooperative Educational Services (DA 02-3365 , released December 6, 2002). This FCC decision only applies to Priority/ Category 1 services (telecommunications services and Internet access).

The complete text can be found at the following URL:

<https://www.usac.org/e-rate/applicant-process/starting-services/advance-installation/>

Category 2

There are two conditions that allow USAC to provide support in a funding year for Category 2 Internal Connections (equipment and services) incurred prior to that funding year.

- *Applicants may seek support for Category 2 eligible services purchased on or after April 1, three months prior to the start of funding year on July 1. This will provide schools with the flexibility to purchase equipment in preparation for the summer recess and provide the maximum amount of time during the summer to install these critical networks.*
- *No invoices can be submitted to USAC for reimbursement prior to July 1 of the funding year.*

For more information, please refer to the FCC Report and Order and Further Notice of Proposed Rulemaking ([FCC 14-99](#)), released July 23, 2014).

It is important to note NO FCC FORM 474 INVOICING can take place before the Funding Commitment Decision Letter is issued, the FCC Form 486 is approved, and/or prior to July 1 of the funding year.

5) INVOICING

- a. The Service Provider agrees to bill and receive a portion of the payment for the provisions of goods and services described herein directly from USAC via the FCC Form 474 Service Provider Invoice (SPI). The Applicant will only be responsible for paying its non-discounted share of costs and does not intend to use the BEAR process (FCC Form 472). The maximum percentage the Applicant will be liable for is the pre-discount amount minus the funded amount as shown on the FCC Form 471 Funding Request Number ("FRN") and associated FRN Line Items and any identified ineligible costs. Upon the successful receipt or posting of a Funding Commitment Decision Letter from USAC and submission, certification and USAC approval of FCC Form 486, the Applicant shall pay only the discounted amount beginning with the billing cycle immediately following said approval. Alternatively, should the Applicant decide that it is in the best interest of the Applicant to file an FCC Form 472, the Applicant will inform the Service Provider of its intent.
- b. The Service Provider agrees that it will not invoice USAC for equipment or services that have not been delivered to and accepted by the Applicant and installed. If equipment is being drop-shipped to the Applicant and the Applicant is responsible for installing the equipment, the Service Provider may not invoice USAC until equipment is received and accepted by the Applicant.
- c. All Service Provider invoicing to USAC must be completed within 120 days from the last day of service. Should the Service Provider fail to invoice USAC in a timely manner, the Applicant will only be responsible for paying its non-discounted share.

6) FCC/USAC AUDITS

The E-rate program requires that all records be retained for at least ten (10) years from the last date of service provided on a particular funding request. The Service Provider hereby agrees to retain all books, records, and other documents relative to any Agreement resulting from this RFP/RFB/RFQ for ten (10) years after final payment. The Applicant, its authorized agents, and/or auditors reserves the right to perform or have performed an audit of the records of the Service Provider and therefore shall have full access to and the right to examine any of said materials within a reasonable period of time during said period.

7) PROCUREMENT OF ADDITIONAL GOODS AND/OR SERVICES AND AGREEMENT TERM

During the term of any Agreement resulting from this RFP/RFB/RFQ, the Applicant may elect to procure additional or like goods and/or services offered by the Service Provider. Such services shall be negotiated and obtained via an official amendment to this Agreement and approval by the Applicant's Governing Board. All terms, conditions, warranties, obligations, maintenance and support of said goods or services shall have a coterminous expiration date with the original date of this Agreement. The Applicant shall not enter into a separate Agreement for said goods or services. Service Providers must state in their proposal that they acknowledge, accept and are in agreement with coterminous expiration conditions.

I, the undersigned, as an authorized agent of _____ (Service Provider Name), hereby certify that I have read the E-rate Supplemental Terms and Conditions, am fully compliant and intend to cooperate with the E-rate process as outlined above.

Signature: _____ **Title:** _____

Phone Number: _____ **Email:** _____

Service Provider Name: _____

Service Provider FCC Registration Number: _____

Service Provider Identification Number: _____

Right to Reject Any and All Quotes

The Applicant reserves the right to reject any or all quotation submittals and to waive any informalities or regularities. The Service Provider's quotation submission is recognition of this right.

In addition, the Applicant reserves the right to fund, (proceed with project or purchase) or not to fund, regardless of E-Rate approval.

Trade Names and Alternatives

For convenience in designation on the plans or in the specifications, certain articles or materials to be incorporated in the work may be designated under a trade name or in the name of a manufacturer. Whenever in specifications any materials, process, or article is indicated or specified by grade, patent, or proprietary name or by name of manufacturer, such specification shall be deemed to be used for the purpose of facilitating description of material, process or article desired and shall be deemed to be followed by the words "or equal," and service provider may, unless otherwise stated, offer any material, process or article which shall be substantially equal or better in every respect to that so indicated or specified. If material, process or article offered by service provider is not, in opinion of the District, substantially equal or better in every respect to that specified, then service provider shall furnish material, process or article specified. Burden of proof as to equality of any material, process or article shall rest with service provider. Without such documentation, the District cannot accept the argument on functionality equivalent or better based on cost alone. Products must be compatible with existing systems. Service Provider shall submit request together with substantiating data for substitution of any "or equal" item within the sealed bid packet at the closing of bids. Provision authorizing submission of "or equal" justification data shall not in any way authorize an extension of time for performance of this contract.

Evaluation Criteria

The selection process for each section will include the following evaluation and point assignment/rating criteria for vendors:

Category	Points
Cost of E-rate Eligible Services	45
Cost of E-rate Ineligible Services	5
Scope of Work and Specification Compliance <ul style="list-style-type: none">- Proposal meets or exceeds all technical requirements- Compatibility with existing systems- Ease of interoperability with existing systems	30
Bidders Capabilities <ul style="list-style-type: none">- Ability to deliver services- Experience with the district	10 10
<i>Total Possible Points</i>	100

Submission Instructions

Service Provider shall provide **one (1)** original signed RFQ Responses via email and **one (1)** complete copy of their valid CMAS and/or NASPO VALUEPOINT Contract or valid web-address to all contract pages; via email to Chris Soliz at bidinfo@westside.k12.ca.us by the due date and time specified on page 1. Pricing must be submitted on the form included on the final page.

Any questions regarding this RFQ shall be submitted in writing to the contact contained herein. Email inquiries are required. The District will not respond to phone call inquiries.

E-mail inquiries must include the RFQ number in their subject line and are to be sent by January 4, 2024 10:00 AM PST to the following:

Chris Soliz at bidinfo@westside.k12.ca.us

District will post all questions and answers on the district website and USAC's EPC Portal no later than January 10, 2024.

Pricing Instructions

Service Providers may provide pricing for all or any individual sections outlined below.

Order Information

District reserves the right to order quantities in any size lot or lots of quantities. Pricing must remain firm for the period of April 1, 2024 thru September 30, 2025. The District reserves the right to extend the intent to purchase for an additional annual term through September 30, 2026. Vendor must continue to have a valid CMAS contract and/or continue to be a NASPO approved reseller during the term of the purchase agreement.

PROJECT SPECIFICATIONS

Section 1: Switching

The Goal: To provide qualified vendors with the necessary information and specifications to allow them to respond with a solution that they determine best meets those requirements.

About the District

Westside Union School District, located in northern Los Angeles County, covers nearly 350 square miles and operates 12 schools, grades TK-8, which serve approximately 9,100 students. The 12 schools are connected to the District Office by a 10G mesh network. 10 schools have 10G fiber backbone. 2 schools have 1G fiber backbone.

The District is seeking to purchase a network core and/or school site switching solution to replace aging Cisco switches.

The proposed solution price must include a complete bill of materials, applicable sales tax, applicable shipping, and optional professional services. Service provider must label all equipment as Erate with an identifying Funding Request number.

Solution Requirements:

- Solution should be managed via the Juniper Mist dashboard
- One single interface to monitor, configure and view switches
- Switches must be configured to work with Cisco Call Manager, Unity, and Emergency Responder
- All switches should be setup and configured for a 1 to 1 replacement
- No hardware dependency on cloud connectivity for function or configuration
- On-premise management option should the District decide to manage locally at end of subscription term
- No license requirements to unlock or enable any hardware features in the switch

The scope of the projects will be as follows:

<u>School Site Switching</u>		
EX4100-F-48P	EX4100-F 48-Port 10/100/1000BaseT PoE+, 4x 10G SFP+ Uplink ports, 4x 10G SFP+ Stacking ports (optics sold separately) with Standard SW.TAA Compliant.	317
S-EX-S-C3-5M1-N-E	Erate bundle, SW EX Standard, Class 3 (32 or 48 ports), Includes Wired Assurance subscription for EX32 or EX48 Port Switches with SVC NEXT DAY support, 5 years	317
EX-SFP-10GE-DAC-1M	SFP+, 10GE Direct Attach Copper Cable, 1-meter, Standard Temperature (0 through 70 DEGREE C), 0.57W, 30 AWG	214
EX4100-F-12P	EX4100-F 12-Port Fanless 10/100/1000BaseT PoE+, 2x 1G/2.5G/10GBaseT Uplink ports, 4x 10G SFP+ Stacking/Uplink ports (optics sold separately) with Standard SW. PoE++ Powered.	3
S-EX-S-C1-5M1-C-E	Erate bundle, SW EX Standard, Class 1 (12 ports), Includes Wired Assurance subscription for EX12 Port Switches with SVC CORE support, 5 Years	3
SFPP-10G-SR-C	SFP+, 10GBASE-SR, MMF OM3 300 meters and OM4 400 meters, Standard Temperature (0 through 70 DEGREE C), Duplex LC connector	94

SFP-1G-SX-C	SFP, 1G, FDDI 220m and OM1 275m/OM2 MMF 550m, Extended Temperature (-10 through 85 DegC), Duplex LC connector	19
<u>Core Switching</u>		
EX4400-24X	24x10GbaseX switch with 2x100G uplink ports. MACsec AES256. Airflow out of PSU. Optional module-4x10G or 4x25G	12
S-EX-A-C2-5M1-N-E	Erate bundle, SW EX Advanced, Class 2 (24 ports), Includes Wired Assurance subscription for EX24 Port Switches with SVC NEXT DAY support, 5 Years	12
SFPP-10G-SR-C	SFP+, 10GBASE-SR, MMF OM3 300 meters and OM4 400 meters, Standard Temperature (0 through 70 DEGREE C), Duplex LC connector	94
SFP-1G-SX-C	SFP, 1G, FDDI 220m and OM1 275m/OM2 MMF 550m, Extended Temperature (-10 through 85 DegC), Duplex LC connector	19

MINIMUM HARDWARE SPECIFICATIONS

The district is willing to accept bids from alternative manufacturers as long as they meet or exceed the current district standard. Please see the section "Trade Names and Alternatives" in this RFQ for further information.

Service Provider must meet the following qualifications to be considered for award. Documentation regarding the following qualifications MUST be included in the Service Provider's proposal. Non-inclusion of applicable documents is basis for disqualification.

1. When providing electronic equipment quotes for switches/hubs/routers, Service Provider must have at least 1 Certified Engineer or equivalent on staff.
2. When providing cable work, Service Provider must be RCDD certified.
3. When providing cable work, Service Provider must provide as-built diagrams in electronic and paper copy formats, and cable test results within 45 days of completion of work.
4. If providing cabling work, Service Provider and its subcontractors must have C-7 or C-10 License and maintain compliance with all required State of California Public Works/Prevailing Wage requirements.
5. If requested by the Applicant, Service Provider must be willing to have employees fingerprinted.
6. Service Provider shall provide with its quote the complete CMAS contract pages, including all pages that show the goods and/or services in Service Provider's quotation submittal. Said products shall be clearly highlighted for ease of identification.
7. Service Provider shall provide references for staff to be associated with project work and implementation.
8. All proposals need to include tax and shipping as separate items in the response.

Prospective Service Providers are required to submit the following:

1. Three (3) references describing Service Provider's portfolio experience with comparable projects within a K-12 customer market
2. Service Provider shall provide with its quote the complete CMAS contract pages, including all pages that show the goods and/or services in Service Provider's quotation submittal. Said products shall be clearly highlighted for ease of identification.
3. Service Provider's SPIN number
4. Service Provider's FCC Registration Number (FRN).
5. "Equipment list" completely filled in.
6. Responder Service Level Agreement (SLA) for your proposal. Indicate any options available.
7. An implementation timeline proposal starting July 1, 2024.

Failure by Service Provider to supply these documents shall be considered grounds for disqualification.
