The physical Parent Resource Room is located in the main lobby in Room 1202. A virtual online Parent Center is created for your perusal. Parents are theme for this year: **We are Gamechangers**! A **Gamechanger** is one who seeks to be an agent of change—one who often make a significant modification or shift in how something is taking place; **Gamechangers** are often responsible for the success that is often celebrated in the end. Parents our celebration is the successful completion of our students moving on to the next level.

My role at Eddie White Middle Academy is to teach you how to **empower yourselves, give you as families a voice in our decision making by creating family-school partnership together** offer and provide parents/families with information, support, and community resources. Some valuable levels of support include monthly workshops plus collaboration with outside partner in education conducted in person as well as online. Additionally, there will be updated educational community information posted on our school website and our local community neighborhood watch as well as our social media platform. It is my belief through mutual trust, cultural responsiveness, and collaboration we will be able to foster a positive learning environment that will have a lasting effect on our students.

I am here to support you in any way that I possibly can. If you have any further questions, please do not hesitate to reach me at the school number **770-472-2850 ext.140127** or my **Google Voice number 302-289-6821**. I can be reached via email as well at renamae.pintard@clayton.k12.ga.us.

In closing, parents my charge to you is as **"Gamechanger**, we are going to assesses the **Total** program, set new **Expectation** and **Execute** the plan, **Analyze** the data and consistently **Model** the above **Gamechangers** behavior."
