## MEMORANDUM OF UNDERSTANDING ACTIVITY BUS

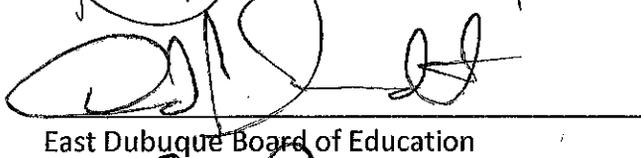

This Memorandum of Understanding (MOU) is entered into as a result of discussion between the District and the Union regarding Activity Bus Drivers during the 2023-2027 Collective Bargaining Agreement (CBA).

Art. II. P. The school district will provide bus drivers and transportation for all activities, extra-curricular trips, and field trips. If a bus driver cannot be found, the coach/teacher/advisor may be asked to drive a vehicle. They will be paid \$20 per trip for driving the activity bus. If the coach/teacher/advisor is not willing to drive the activity bus, transportation must still be provided by the district. The district will not cancel any activities, extra-curricular, or field trips because of the lack of a driver.

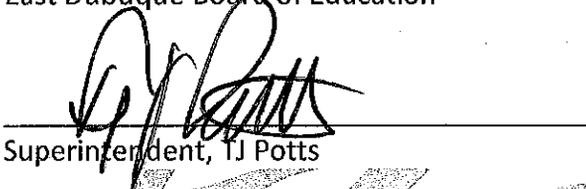

This Memorandum of Understanding shall become effective upon execution and shall continue in effect through the life of the 2023-2027 CBA. The parties further agree that all other provisions of the CBA remain in full force and effect.
