

**Madeira City Schools Planning Commission  
Annual Salary and Benefit Study  
March 2022**

**Committee Members**

**Brad Cunningham, Chairman**

**Brian Kellett**

**Tim Hemler**

**Stacy Radu**

**Kara Foley**

**Emily Hauser, Resource**

**Part 1**  
**Salary Study**

**Objective**

The Madeira Planning Commission Salary Study Committee was asked to examine how the Madeira teacher salary schedule and benefits compares to other area school districts. The committee was also asked to make a recommendation based on the findings to the Board of Education.

**Methodology**

Madeira’s certified salary schedule was compared against 29 other school districts in the surrounding area for the 2021-2022 school year and future years that have negotiated settled contracts by other districts.

Budget data is provided for various options pertaining to salary increases.

Additional information on the comparison of districts’ contracts and compensation was collected and summarized in Part 2 Benefit Study.

**Findings**

**Certified Teaching Staff Salary Analysis**

- 1. Contract information, salary schedules, salary rankings, and averages for the salary schedules are located in **Appendix 1-6**.
- 2. Madeira’s goal in certified teaching staff salary administration is to consistently have salary schedules that place Madeira in the top 3<sup>rd</sup> of comparison districts. Madeira has designed the salary schedule to put a major emphasis on certified teachers to continue their education as Madeira ranks in the top 3<sup>rd</sup> in the Master’s plus 30 across the board.
- 3. We continue to see an increase in base salary across 80%-93% of school districts over the last three years. For the 2021-2022 school year, 27 out of 30 schools had a base salary increase or a revamp of the salary schedule as a whole. Base increase averages and Madeira base are illustrated below (Part 1, Appendix 1).

<b>Fiscal Year</b>	<b>2019-2020</b>	<b>2020-2021</b>	<b>2021-2022</b>
Madeira Increase	2.00%	2.00%	2.00%
Average Increase	2.24%	1.71%	1.86%

- 4. Three (3) of the 30 districts, New Richmond, Loveland and Indian Hill had a 0% base increase in 2021-2022.

5. Ten (10) out of 28 negotiating districts contracts end in 2022. Madeira and Mariemont are not negotiating districts. (Part 1, Appendix 1)
6. Eighteen (18) of 28 negotiating districts have established salary schedules for 2022-2023 with a base average increase of 1.88%.
7. Five (10) of 28 negotiating districts have established salary schedules for 2023-2024 with a base average increase of 2.10%.
8. Analysis of salary rankings vs. comparison districts indicates that Madeira maintains a competitive position in most benchmark data points.
9. Madeira's starting salary for a Bachelor's Degree ranks 6<sup>th</sup> (last year - 6<sup>th</sup>).
10. Madeira's salary benchmarks for Master's Degree-starting ranks 9<sup>th</sup> (last year - 9<sup>th</sup>), at five year's ranks 4<sup>th</sup> (last year - 7<sup>th</sup>), at 10 years ranks 7<sup>th</sup> (last year 8<sup>th</sup>) and at the maximum ranks 11<sup>th</sup> (last year – 9<sup>th</sup>)
11. Madeira's salary benchmarks for Masters + 30 – all remained in the top 3<sup>rd</sup>. Starting ranks 9<sup>th</sup> (last year – 9<sup>th</sup>), at five years ranks 4<sup>th</sup> (last year – 6<sup>th</sup>), at 10 years ranks 5<sup>th</sup> (last year- 6<sup>th</sup>) and maximum ranks 8<sup>th</sup> (last year – 5<sup>th</sup>).
- 12. All salary benchmark data points remained in the top 3<sup>rd</sup> with the exception of Bachelors 5 years and beyond and Masters maximum. The maximum for Masters Madeira has fallen to 11<sup>th</sup>.**

**Budget Impact – (Part 1, Appendix 7)**

**Certified Staff** – the budget impact of salary changes are listed below the current year certified salary budget. The average salary calculation is based on actual current year staffing. Any resignations or retirements replaced by different salary will impacts the resulting final average salary.

The Pie Chart illustrates the breakdown between the 3 categories of district salaries. The Salary Study data is pertinent to 77% of the district’s salary compensation cost.

2022-2023 CERTIFIED BUDGET IMPACT - CHANGES IN SALARY		
2021-2022 Certified Salary - current year	9,222,696	
2022-2023 Step Cost	\$256,742	2.78%
2022-2023-1% base increase + step	\$354,336	3.84%
2022-2023-2% base increase + step	\$451,930	4.90%

**Previous Year Recommendation and Board Action**

**Board Action on Salary for 2021-2022**

- 2% increase in base salary schedule

**Planning Commission Salary Recommendation for 2022-2023**

It is very important to continue to support our teachers and non-teachers in Madeira. We want to continue to help our students by providing them with quality and top educated staff. Therefore, the committee recommends for **2022-2023**

- 2% increase in base salary schedule

## **Part 2**

### **Benefits Study, Staff Survey**

**Objective**

The Madeira Planning Commission Salary Study committee is asked “what are the comparable data in regards to employee benefits?”

**Methodology**

Part 2, Appendix 8 is a comparison of 24 districts benefits including; health, dental, and vision plan Board/Employee % costs, sick leave/severance, and personal leave.

An online survey of staff was conducted asking them three questions regarding their benefits and how they feel about the benefits provided.

**Background** – It is the intention of the Board of Education to provide competitive benefits for Madeira staff as this is considered a prerequisite to attract and retain best talent. Knowledge of surrounding school districts’ benefit packages is helpful to determine Madeira’s competitive position, while maintaining fiscal responsibility to the community.

**Findings**

**Benefits** of 24 Comparative Districts are below. Health benefit results were relatively the same as in the previous year. Plan 1 comparison summarized below. See the Benefit Summary chart for additional plans offered.

**Health Plans**

- 6 districts have multiple Health Plans; HDHP’s and/or PPO’s.
- 5 districts have one Health Plan that is a HDHP
- 13 districts have one Health Plan (not HDHP) of which 11 of those districts are members of GCIC.

**Health Sharing between Board and Employee**

- 4 districts (Deer Park, Mason, Mt. Healthy and St. Bernard) share health care costs at **90% Board and 10% Employee**
- 13 districts share health costs at **85%-Board and 15% Employee** (Finneytown, Indian Hill, Kings, Lakota, Loveland, Madeira, Mariemont, Northwest, Reading, Southwest, Sycamore, Three Rivers, and Wyoming).
- 1 district (Princeton) has two plans; plan 1 is **82/18 and a HDHP is 84/16** with a H.S.A. contribution
- 1 district (Oak Hills) has two plans; plan 1 is HDHP at **85/15** with H.S.A. contribution, plan 2 is PPO at **73/27**.
- 4 districts (Fairfield, Norwood, Milford & Winton Woods) share health costs at **80% Board and 20% Employee**
- 1 district (Forest Hills) share health costs at **75% Board and 25% Employee**
- Average Health sharing of 23 districts Plan 1 is **85% Board and 15% Employee**

**Sick Leave Bank Study**

**Summary of Findings:**

All 29 districts were asked about the availability of a sick leave bank and the process for which is operates. Nine of the districts do not have a sick leave bank. Of the districts that do have a sick leave bank below are the overall findings:

- The sick bank is managed and operated by a committee of participants. The committee is typically formed by the negotiating union.

The committee approves and denies all requests.

- The bank does not cross job classifications (ex: certified employees to noncertified employees)
- An employee must opt in to be eligible; meaning you have to “give to get”.
- There must be a certain amount of participation in the bank for the bank to become operational.
- In most districts when an employee opts to be part of the bank 1 sick day is taken from them. The bank is monitored and when it reaches a certain threshold another 1 day is taken from all members of the bank.
- There are very specific guidelines/stipulations for eligible absences. Typically the bank can only be accessed for absences exceeding 10 days. A common example of the reasons for use are: serious injury, non-elective surgery, catastrophic illness. A typical pregnancy/delivery is not an allowable reason to access the bank in most districts.
- Most districts require employees to pay back the days over a certain amount of years – tracking challenge.

**Recommendation:**

We agree that the intentions of a sick leave bank are purposeful. However, based on the logistics, tracking, and restrictions associated with creating and managing a sick leave bank, we are not recommending this for Madeira. We feel that the value received does not outweigh the challenges associated with its formation.

Do you have any questions or comments about current salary?

68 responses

**Salary Schedule**

- More steps need to be added to the salary schedule to align with teacher career lengths. Years ago, this number was 30 years of teaching and then retirement, so 27 steps became standard. However, with increased expected career lengths, working for 8–10 years without a step increase and an average 2% percentage increase, makes it more difficult for veteran teachers to maintain their lifestyle and manage increased costs of living. Here's the breakdown of projected retirement benefits from STRS 30 years- We receive 39.60% of our average final salary. 35 years- We receive 70.07% of our average final salary. 36 years- We receive 79.20% of our average final salary. 37 years- We receive 81.40% of our average final salary. It would be nice to have additional steps added to align with teacher's career lengths, allowing us to achieve a financially viable retirement. I appreciate your consideration of my request to increase the number of steps on the salary schedule.
- It would be great if we could expand the steps, I believe it ends at 27. In order to retire, teachers need more than 27 years, so it seems reasonable to add more steps to our salary schedule
- Is it possible to add a column to the salary schedule, after MA+45, for those who exceed 45 credits and max out with many years left to teach?
- Why do salary steps end at 27 when we need to teach over 30 years for ST
- RS? Why is a PhD not on the salary scale?
- Please consider looking at the masters +45 starting at an earlier year. Please consider adding steps to mirror the state requirement of teaching 35 years to get full retirement benefits.

**Salary**

- EA pay rates vs sub pay rates
- Happy the sub rates were approved for EA/admin and teachers! Hoping to see an increase in EA pay schedule as well.
- Will there be any increases further than the usual 2% increase due to cost of living increases?
- Will rates go up?
- Just wondering what the part time options in terms of percentage of the school day.

Do you have any questions or comments about current benefits?

68 responses

**Personal/ Sick Days**

- Would it be possible to share banked sick days with co-workers who need them for either themselves or sick family members?
- Can the vacation day accrual schedule be looked at and compared to other districts?
- Sick days: I don't understand why there is a cap on the number you can earn. It doesn't cost the district anything since there is a cap on that pay when you retire.

**Dental Insurance**

- Dental care plus was not favorable to my dentist. He stated dentists all around cincy were dropping and not accepting. I was wondering if the consortium found this to be true? And therefore minimizing our choices?
- Specifically, how will the change in our dental insurance (from HMO to PPO) impact my family?
- Can we have new dental insurance?
- dental insurance has been very frustrating & limiting with recent changes ... hoping changes coming in March will help

**Miscellaneous**

- Can we get CVS back?
- I would like to know what to do to move funds from a 403B managed by American Fidelity to another company.
- I am very thankful for all of the benefits that Madeira City Schools has for the staff! Thank you!
- What is the requirement to maintain medical, dental and vision insurance if part time?

Are there additional benefits you would like the Board of Education to consider adding?

68 responses

**Health**

- healthcare incentives, like gym memberships, etc.
- Self care options ?
- Something like a stipend or incentive for exercise to assist with staff health.
- Is it possible to receive money or a discount for fitness memberships or classes?

**Personal/ Sick Days**

- Add the option of mental health day To the sick day options.
- More freedom with use of personal days.
- Being hourly I don't think it's right that I lose premium pay if I need to take a personal or sick day and work overtime that week.

### Salary Schedule

- Adding steps to provide an increased salary to those teaching beyond 30 years. This will greatly affect retirement benefits and since the state requires that we teach a minimum of 35 years to get full benefits, adding steps would help.
- looking at some sort of incentive for those of us who are at the highest education and 25+ years of service

### Flexibility/Schedule

- For those in office settings some flexibility in hours.
- Flexible scheduling options for teachers, reevaluating the maternity and paternity leave provided, hiring a dedicated HR director and hiring a dedicated DEI director.

### Miscellaneous

- I would like to see Walgreens added back to our list of pharmacies we can use. I would like our deductible to be lowered, they are very high now.
- I have always thought that it would be nice to still have the benefit of being able to bring kids to school here if we live out of district, even if we paid tuition to do so. With house prices being what they are in Madeira, I feel that way even more. If I did not already live here, my family would not be able to afford to move here now.
- vision
- N/A
- Reinstate the ability of a working spouse to be covered by our family plan.
- Thanks already to all of the time and care this is given... very special to be in Madeira
- n/a
- Flexible scheduling options for teachers, reevaluating the maternity and paternity leave provided, hiring a dedicated HR director and hiring a dedicated DEI director.

**Planning Commission Benefits Recommendation for 2022-2023**

**Based on our findings we recommend:**

We found that the staff has a good understanding of the benefits they receive. There were a number of responses this year related to the salary steps with Madeira. We recommend a dive into next year's report on a better understanding of the steps system as it currently exists, when is the last time this was reviewed, and how do we compare to other districts related to their steps. Are we competitive / in-line with others and/or is this something we need to evaluate further?

To our understanding, roughly every 5 years a review is conducted to determine competitiveness of classified compensation, as well as coaching positions. In addition to the above recommendations, we are recommending a review on the competitiveness of both classified staff compensation and coaching compensation (with support from the Athletic Director).
