

**FIRST-DOSE PFIZER COVID-19 VACCINE CLINICS
FOR NEW JERSEY RESIDENTS 12 YEARS OF AGE AND OLDER**

AUGUST 3 AND AUGUST 10

**WALK-INS ARE WELCOME TO FIRST-DOSE CLINICS;
APPOINTMENTS AVAILABLE**

Mark your calendar for these first-dose Pfizer COVID-19 vaccine clinics to be held in Saint Peter's University Hospital's Sister Marie de Pazzi Conference Center, 254 Easton Avenue, New Brunswick, NJ:

Tuesday, August 3 – 5:00 to 7:00 p.m.

Tuesday, August 10 – 5:00 to 7:00 p.m.

Walk-ins are welcome to first-dose vaccine clinics.

To schedule an appointment, visit <https://www.zocdoc.com/vaccine>. Second-dose vaccines will be scheduled at the time of the first-dose vaccine.

A parent or legal guardian must accompany children less than 18 years of age. Parents of minors must bring a government-issued form of identification.

Saint Peter's child life specialists are available to assist anyone 12-18 who may need a sensory-friendly environment when receiving the Pfizer COVID vaccine. If your child has sensory issues and/or is anxious or fearful of injections, our child life team can offer support through coping skills and distraction techniques.

Please call 732-339-7909 with questions or if a child needs assistance in receiving the Pfizer vaccine.
