### VOLUNTEER AGREEMENT

The Bristol Warren Regional School Committee and Administration believe that the ideals of good conduct, ethical behavior and integrity permeate our culture. The Committee and Administration require that these beliefs and values are adhered to at all times. Volunteers are expected to model good citizenship and high behavioral standards and recognize the influence his or her behavior has on the behavior of others.

The Bristol Warren Regional School Committee and Administration expect all volunteers to uphold the District beliefs of respect, responsibility, integrity and learning.

I, \_\_\_\_\_, will serve as a volunteer and agree to maintain good conduct, ethical behavior and integrity, as well as a strict level of confidentiality during the course of my visit(s) at School. I understand that confidential information refers to any information which identifies or could potentially identify an individual student, including but not limited to,

- Results of formal and informal assessments
- Social and behavioral actions
- Performance levels and progress
- Program goals and objectives
- Financial information
- Personal and family information

Pursuant to federal and state laws and regulations, the Bristol Warren Regional School District is responsible for maintaining the confidentiality of all personally identifiable information at collection, storage, disclosure and destruction stages.

By signing this Agreement, the undersigned hereby acknowledges that they have been informed with respect to issues of confidential student records and hereby agrees to maintain the confidentiality of all such records and communications and to abide by any and all federal or state laws or regulations and School Committee policies with respect to the same.

Any violation of this Agreement may result in removal from the District's approved volunteer list and/or appropriate legal actions.
