6. RIHSC: Teaching Physical Education and Health
Program: District Catalog
Dates: 1/25/2021
New
The Rhode Island Association of Health, Physical Education, Recreation, and Dance (RIAPERD) will be offering free virtual professional development sessions on the common statewide PD day in January. We will be offering techniques and strategies that have been effective for teaching Health and Physical Education during the COVID-19 pandemic, shared by teachers from around the state. Having meaningful, content-specific professional development opportunities during this time is essential for student learning. As needs and expectations are constantly changing, hearing from teachers who are confidently meeting the needs of their students will benefit all professionals. There are separate sessions for elementary and secondary. Each will address asynchronous, synchronous, and virtual learning. Date: January 25, 2021 Time: 10:00AM - 11:00AM: Teaching Physical Education 11:00AM - 12:00PM: Teaching Health Education Elementary link to join: <https://chariho-us.zoom.us/j/81395469449> Secondary link to join: <https://chariho-us.zoom.us/j/83948934327>

7. Amplify Updates
Program: District Catalog
Dates: 1/25/2021
New
Representatives from Amplify will join the KMS ELA faculty to walk us through the next unit. For those 6th grade teachers who are delving into the curriculum in January, it will be a great opportunity for teachers to ask questions that develop as they learn to navigate and see how teacher feedback tools are used to build writing skills. For the 7th and 8th grade teachers who are wrapping up their first unit with common assessments, it may be helpful for Amplify to provide support as teachers analyze student data, and give an overview of the next unit.
