

Second Grade Behavior Expectations

Santee Elementary School's 4 Agreements are: Be Safe, Be Respectful, Be Responsible, and Be a Problem Solver. These habits and behaviors will help create a learning environment where all students feel safe and engaged in their learning.

Second graders will be monitoring their behavior using the class clip chart. Students that are practicing our school's agreements will be able to earn a class reward. If a student is having a difficult time following our school agreements they will have an opportunity to reflect on their behavior. If a student needs additional support following our school agreements additional consequences could include loss of recess and/or a phone call home.
