

## **Second Grade Homework Policy**

Homework assignment will vary by teacher.

Mr. Sarellano's class: Students will receive a reading log each Monday to be completed each night and returned on Friday. Language Arts and Math homework will be sent home at the end of each school day to be returned the following school day.

Ms. Yazdani's class: Students will bring home their weekly homework packet every Monday. Students should complete a part of their Read and Respond each night and work on the assigned homework for each day of the week and return their completed homework packet every Friday.

For their reading homework students should read a book of their choice for at least 20 minutes each day at home. Reading each day provides students with an opportunity to practice the reading skills that they are learning in class this year.
