

Center Elementary Drop-off/Pickup Locations

There are two drop-off/pickup locations:

1. Center lower parking lot – families can enter the lower lot on DeRonde Drive, drop students off and then exit the parking lot. Students will then walk up Markeley Lane to Center campus. Families can also park in the north part of the parking lot to wait to pick up students as they are dismissed.

2. Kiss & Go Lane –
 - a. This is a quick drop off and pick up lane only, stopping is limited to 2 mins.
 - b. Students must enter/exit the vehicle from the right side ONLY, *if this isn't possible you will be required to park.*
 - c. Drivers must remain in the vehicle when using the Kiss & Go Lane, if you need to exit the vehicle you must park.
 - d. DO NOT leave your car unattended in this lane.
 - e. Due to possible traffic, it is highly recommended that families use the lower lot.
