Principal's Message

I would like to welcome you back for the 2023-2024 school year. I hope that you enjoyed an exciting summer making memories with your loved ones. The faculty and staff are excited to have students back in our classrooms and hallways filling them with energy and enthusiasm for learning. It is our mission to help every child feel welcomed, connected, and a part of our Bonnieville family. Additionally, we strive to challenge each student to grow in his or her academic abilities. At Bonnieville, we have great teachers who spend hours planning and creating classroom activities to engage our students in learning.

We believe it is important for families and schools to work together to ensure students' success. Our school is fortunate to be a unified family of parents, teachers, and support staff working hard to ensure the safety and well-being of all children while providing them with a challenging and rewarding educational experience.

I am truly honored to be a small part of endowing students with a quality education. Building a strong home-school partnership is important to me and vital to a child's successful educational journey. Please feel free to contact me at 270-531-1111. Thank you for entrusting us to nurture, encourage, challenge, and enjoy your precious ones as we begin the 2023-2024 school year!

Sincerely,
Dr. Georgia Bryson

Hart County Schools.....Where Safety Matters

We invite parents to visit our school. Hart County Schools become a safer, more efficient place for children to learn by utilizing the following guidelines:

- 1. To maintain a secure facility for students and staff, we ask all visitors, volunteers, and parents to enter the school using the front doors.**
- 2. Visitors, volunteers, and parents must report to the main office to sign-in and sign-out every time you enter and exit the building.**
- 3. All visitors, volunteers, and parents proceeding beyond the main office will be required to provide photo identification.**
- 4. Visitors, volunteers, and parents must wear a visitor badge which identifies to staff and students that you are an approved visitor to the school.**

We thank you in advance for your understanding, as we strive to maintain a safe environment for everyone at Bonnieville School.

See/Hear Something, Say Something!

Morning and Afternoon Procedures

Morning and afternoons are the most hectic times of the day here at Bonnieville. Our goal is to ensure the safety of all our students and staff. It is for this reason that we ask for your patience, understanding, and cooperation with our morning and afternoon procedures. Again, these procedures are meant to ensure the safety of our students and staff as well as maintain order during non-instructional time of the day and are not meant to keep anyone away from our school.

Students may enter the building at 7:20 AM. Parents may accompany students to the cafeteria on the first day of school. Parents must stop in the office and have their identification processed through our Raptor system and wear the printed badge upon entering into the building. Upon exiting the building, the printed badge will need to be returned to the office, so that visitors are checked out of Raptor. After the first day, parents will not go to the cafeteria in the morning to allow students to become independent with the cafeteria procedures. This allows teachers to reinforce our cafeteria routines (opening milk, attention to eating, dumping trays, etc.) which carryover to lunch time.

Our safety procedures guidelines, passed by our SBDM, to ensure the safety of all students and staff members are as follows:

- Parents who wish to attend an assembly will be required to have an identification of a driver's license or social security card in order to Raptor into the building. You may preregister to attend all events. Once cleared you may enter the event, a name badge will be given to them. After the event, the name badge will be given back to school personnel in order to Raptor the visitor out of the building.
- Mrs. Morgan Lafollette, Director of FRYSC, will host volunteer trainings. Teachers will scheduled volunteers for their classroom.
- Parents with the volunteer training may go to their child's room on his or her birthday during snack time.

In the afternoon, phone calls about transportation changes need to be made prior to 1:30 PM to ensure that your child receives his or her message. Students who are car riders will go to the assigned area at 2:50 PM. Parents/guardians are asked to line up in the pick up lanes located in front of the school (See map below.) The lane closest to the building is reserved for our preschool students until 2:50 PM. Students will be called by name by the supervising staff to load their car **only if a school car tag is on display. Anyone without a school assigned car tag will be required to pick up their student up from the office.** This allows us to follow the SBDM safety plan and it assures the safety of our students.

Moreover, at no time is it permissible for a parent to enter the school building to speak to or question a child (other than their own) regarding an issue or concern. This rule also applies to the regular school setting and hours as well as any after school activity. Failure to respect all students by not following the rules shall constitute harassment and law enforcement will be called immediately. Failure to follow Lane 1 is reserved for preschool morning drop off and afternoon pickup. Lanes 2, 3, and 4 are where parents with preschool and other grade levels to line up. We will fill lane 1 after all preschool students have been picked up. K-8th grade students are dropped off in front of the gym until all buses have left, then they will be dropped off at the front door. See the map of the front of the school for dropoff and pickup information.

Front of Bonneville Elementary School

We will ensure our campus is Smoke-Free. In addition to our district’s policy on the use and distribution of **vaping**, Bonneville School’s SBDM has adopted the following student behavior guidelines:

Occurrence	1st Offense	2nd Offense	3rd Offense	4th Offense and beyond
Vape Possession	1 Day Suspension*	1 Day Suspension* Cessation Course	2-5 Days Suspension* Cessation Course	3-5 Day Suspension* Demerits
Vape Usage/Distribution	1 Day Suspension* Cessation Course	1-3 Suspension* Cessation Course	3-5 Day Suspension Cessation Course	5 Days Suspension* Demerits

*Suspension can be in school or out of school suspension.

Vape products will not be returned to students or parents after confiscation.

****Transportation changes **MUST be made by 1:30 PM** in order to ensure that your child receives the message.
