

W.E.B. - Where Everybody Belongs

So... You're currently a 7th grader? And you wanna be a WEB Leader next school year??? Then have WE got information for you!

What does a WEB Leader do? Well, WEB Leaders are trained to work with the incoming 7th grade class. After extensive training, you will run 7th grade orientation and be given a small group of Sevie's to take under your wing. Leaders will be asked to **befriend** and **help** that group of Sevie's, not just during the first week of school, but all year with any challenges they may face. You've been there, done that...you know the challenges of managing Golden West as a Sevie! In addition, throughout the school year, WEB Leaders will meet with their student groups to touch base, discuss problems, and take part in social activities together. We know that the more contact Sevie's have with their WEB Leaders, the more successful they will be.

We are inviting you to apply to be a part of the 2020-2021 Golden West WEB Crew! WEB Leaders are 8th graders who can be role models for the new 7th grade students. Have your communication skills, leadership potential, responsibility, and personality helped you be successful at Golden West? Then why not share those skills and help others succeed, too? **YOU** could have a tremendous influence on our new Sevie's, and learn many valuable leadership skills in the process. Plus, it will be FUN!!

Being a *WEB* Leader is a year-long commitment!
