#### **December Harmony Lessons**

The lessons this month centered around diversity and inclusion. Students participated in activities, discussions, and role play to reinforce the value of all members of our school family. We explored what we have in common and how we are different, and learned about and from each other. Everyone in the school family is important and needs to feel that they are included. Students explored friendship topics like how to make a friend, what traits to look for in a friend, and how to be a good friend. Helping students make connections in school makes them feel supported and safe as we learn and grow together during the school year.

#### **Winter Weather The Roosevelt Way**

During the winter months, we have a few additional expectations we ask students to follow.

**Be respectful** to others by avoiding creations on the playground, such as forts and snowmen. Follow rules such as no throwing snow and staying off the top of the snow hills so expectations do not have to be repeated.

**Be responsible** by wearing appropriate clothing for the weather and taking care of it at school. Watch the temperature and conditions. Students are expected to stay outside for a half hour recess daily. They can be responsible by taking care of the clothing they bring to school, hanging and placing items in the appropriate places.

**Be safe** at school. We have “No Play Zone” signs that mark areas that are too dangerous or wet for play. Watch for ice on the playground and avoid it when possible. Stomp off snow outside and wipe boots on the mat when entering the school.

## School-Wide Celebration!

Roosevelt held a school-wide celebration in December! Buddy classes got together for some fun activities. Students earned beep bucks for several weeks and had the option of purchasing raffle tickets. The drawing for the various prizes was held during the event. Students then participated in a scratch rainbow craft and glow dance party in the gym. The event gave buddy classes a chance to enjoy time together to celebrate our efforts to model expectations as a whole school.

## Student of the Month

Congratulations to all the students who received Student of the Month honors for the month of November. They received certificates and had their pictures taken for the bulletin board, along with a cool Roosevelt sticker. These students set a great example for everyone at Roosevelt. Thank you for following the Roosevelt Way!
