VENEER COLLECTION 7140 / 7141

Construction - Chassis construction consists of veneer on wood product with Cam-lock fasteners and additional wood cleats, screws and glue. A polyurethane top coat helps protect against marring and scratching.

Function - Drawers feature a 4-sided dovetail construction with sealed interiors. File drawers are fully extending with a 150lb. load bearing rating. Box drawers are 3/4 extending with a 75lb. load bearing rating.

All desks, credenzas and file cabinets have adjustable levelers. Cable grommets or other openings are strategically located on specific items to facilitate neat and easy cable management.

** Items require assembly unless otherwise noted.*

An efficient component based collection providing a choice of shells and pedestal options to fit a variety of needs. Shells and open bookcases ship flat packed. Other items are fully assembled or require some assembly. Flat packed items are designed with Cam-lock construction for easy assembly.

* Items require assembly unless otherwise noted.
