

## Need it fast?

Every product in this catalog is available on Mayline's standard 72-hour Quick-Ship lead time. All orders qualifying will ship in 72 hours or less unless otherwise stated on the order. Orders for five (5) or more of any single model will be reviewed and may be subject to extended lead times.

## Need it faster?

Products inventoried at our distribution centers can ship even faster. Look for the 
throughout this catalog to identify which products qualify. We have partnered with LTL carriers to provide exceptional customer service at NO EXTRA COST to you.

#### PROGRAM GUIDELINES:

- Purchase orders must state FAST Freight; otherwise, our standard 72-hour Quick-Ship program will apply.
- FAST Freight orders must be received by 9:00 AM CST in order to ship the same day.
- FAST Freight orders received after 9:00 AM CST will ship the following day.
- Non-LTL FAST Freight orders will ship via UPS.
- Non-Mayline designated carriers are excluded from this program.
- FAST Freight orders received with incomplete information may be delayed.
- FAST Freight orders fulfillment is subject to inventory availability via Dealer Resources at www.mayline.com.
- No cancellations on FAST Freight orders will be accepted.

#### **FILE HARBOR CABINETS**

The most unique and universal cabinet on the market, File Harbor is distinguished by a locking tambour door that secures interior contents while providing a totally distinctive look. The horizontal doors recede into the cabinet to keep aisle clear and free up space. Available in Pebble Gray (cabinet and door).

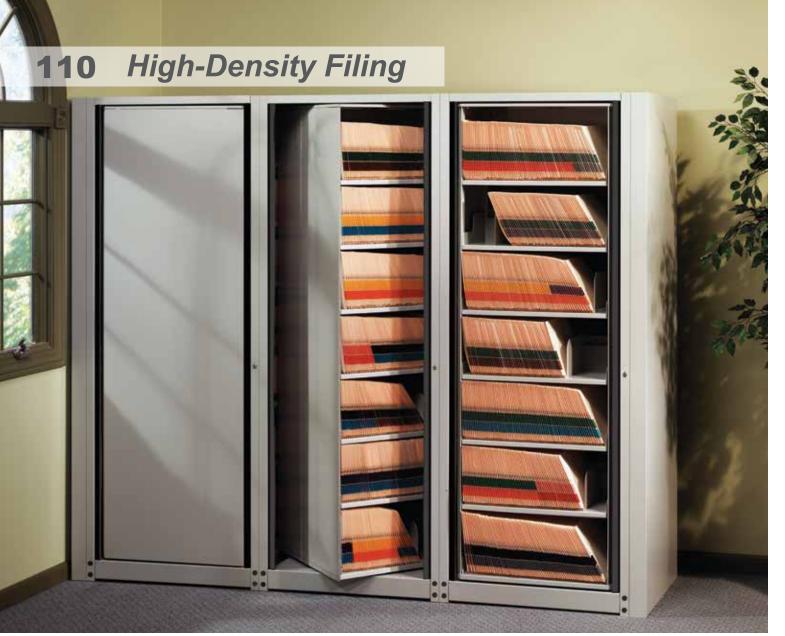

#### **FEATURES**

- Takes up half the space used by drawer files.
- Horizontally receding tambour doors enable complete access to all files.
- End-tab filing is quicker and results in fewer misfiles.
- Clean, functional, secure design.
- Adjustable shelves and dividers, 1" increments.
- All internal components standard in Graphite finish.

# ARC ROTARY FILES

ARC Rotary Files fit where other files won't. Minimal access space is required because no doors or drawers protrude into aisles. Yet you can access twice the amount of material from a single vantage point, compared to conventional filing solutions. There are no cumbersome foot pedals to operate, a slight push is all it takes to rotate cabinets. Each unit has a standard lock.

#### FEATURES

- Seven tiers of letter-depth cantilevered shelving.
- Two (2) adjustable file dividers per shelf.
- All units available with standard lock.
- Adder units can build from either right or left side of starter.
- \*ARC-In-The-Box comes fully assembled and includes shelves and dividers.
- Double faced unit rotates easily to provide access to both sides.
  - Available in Pebble Gray.
