Minutes

<p>1) Health Survey Results</p>	<p>Reviewed results from Health Course Survey. Health is a state requirement for all students. Discussed student's reaction for health being moved from 11th grade requirement to 9th grade starting in the 2023-2024 school year.</p>	<p>Discussed other semester courses approved to back up health for 9th graders. Geography, Ethnic Studies, have both been approved. Voted all in favor of moving Health to 9th grade in 2023-2024.</p>
<p>2) Student Learning Outcomes/Mission Statement</p>	<p>Reviewed our Mission Statement and Student Learning Outcomes, Mission Statement. Our team had a breakout session to discuss each S.L.O., Personal Growth, Academic Proficiency, Community Responsibility, and Employability.</p>	<p>We revised our S.L.O.'s in 2016. Next year we will go through the WASC accreditation process. Wanted to have input from all stakeholders regarding our S.L.O.'s and if there is anything to change. Planning to review and discuss more in our next meeting.</p>
<p>3) Next Year Schedule – Internal Class Periods</p>	<p>Our start time will be as close to 8:30 as possible. Discussion regarding class periods. Hoping to have more students in our next meeting to join this discussion. Currently our 4th period has an extra 3 minutes every day. This was in place for reading the daily bulletin. Now we only read it twice per week.</p> <p>Also, teachers asked if we have the survey results from whether I.E.P. meetings will be held before school next year. Since we will have a later start time</p>	<p>Would it be a good idea to have a mid-morning break, possibly between 2nd and 3rd periods? Our current lunch period is 37 minutes, with a 5-minute passing period at the end to get to 6th period class. Discussed the idea of making lunch a bit shorter. Some teachers mentioned they use lunch for make up tests when kids return from being absent, or for extra help on an assignment.</p>

	<p>next year, after school I.E.P.'s will be difficult for teachers to attend. Especially who have specific childcare pick up times, etc.</p> <p>We will discuss this in more detail at our next meeting.</p>	
4) Professional Development Request	<p>This agenda item was not on a tight time crunch, so we agreed to add this to our next agenda.</p>	

Next meeting is scheduled for Monday, March 28th at 2:30, in person at the Vanden library or hybrid meeting, in person and Zoom for those that cannot attend in person.
