

Faux Wood Arches

FAUX WOOD ARCH

- Graber® Faux Wood Arch is a perfect complement to our Faux Wood blinds
- Arch louvers are designed with a rabbet edge for tight closure
- Each slat can be individually rotated for maximum light control
- Curved frame allows product to cover a range of window opening sizes
- Provides good insulation

HOW TO MEASURE: FAUX WOOD ARCH

ADDITIONAL INFORMATION

- Arches are inside mount only
- Arches are made of PVC
- Arches are available in limited colors
- Arch frame is 2½" deep
- For ease of installation, arch comes fully assembled
- Depending on the size of your window, the arch frame can extend beyond the arch opening. There must be sufficient wall space (outside the arch window opening) to accommodate the frame.
- Arch is for Perfect and some Non-Perfect Arches only. (will not work for Elongated or Eyebrow arches)

Colors Available: Buttermilk, Coconut and Milky Way

Use the Faux Wood Selector within the Graber Wood, Composite and Faux Wood sample book (71-2411-00) to match colors.

Size Considerations

FAUX WOOD ARCH PRICING

1. Select the width range.
2. Verify arch height (must fit width range chosen).
3. If customer's window opening size can be accommodated by 2 size ranges, it is recommended to move up to the larger size for a more secure fit. **Example:** Window opening of 23"x11½" falls within 2 order size ranges-22 and 24. Select the 24 size. Note: Price may be affected.
4. If window opening size is greater than the width first listed on the width range, move down to the correct width range. **Example:** 40" width will use a width range of 38¼"-41½".
