**FINISH TECHNOLOGY**

DARRAN has continued its partnership with AkzoNobel Chemicals ([www.akzonobel.com](http://www.akzonobel.com)) to develop a new finish technology further improving indoor air quality with a coating that meets today’s environmental standards and supports LEED buildings.

ENVI-CT (Environmental Coatings Technology) utilizes advanced European finish technology to deliver a high-end furniture coating with superior performance in appearance and durability, allowing DARRAN to deliver more sustainable products to our customers.

*ENVI-CT Advantages:*

- › ENVI-CT is a re-engineered high performance Coatings Top Coat
- › Exceptional hardness and clarity
- › Highly resistant to solvents and chemicals
- › Plasticizer Migration resistant
- › Excellent UV inhibitors for maximum color resistance
- › Exceeds current and proposed future Federal and State air quality requirements
- › Field Repairable
- › Dynamic chamber emissions tested and certified compliant to ANSI/BIFMA X 7.1 Standard / LEED 4.5 Standard for low – VOC emitting furniture.
- › Standard with Anti-microbial additive.

The best part - is standard on all DARRAN Caseloads for no additional fee.

## LIMITED LIFETIME WARRANTY

DARRAN Furniture Industries, Inc. ("DARRAN") warrants that each piece of furniture manufactured in its North Carolina Facilities will be free from defects in material and workmanship for as long as the original purchaser owns and uses the product. Subject to the limitations and exclusions herein, DARRAN, at its discretion and as the sole remedy under the DARRAN Limited Lifetime Warranty, will replace or repair a defective product or components with comparable product or components free of charge. This warranty is made only to the original purchaser from an authorized DARRAN dealer, for as long as that original purchaser owns and uses the product.

### LIMITATIONS: USE / CARE

- › Warranty is limited to normal single shift use.
- › Warranty is limited to generally accepted care and maintenance of natural wood products and environments.
- › Natural wood surfaces are subject to denting, scratching, and gauging if not properly used and cared for. Warranty is subject to use and care in accordance with the use and care instructions provided in the Product Care section of this site (including, but not limited to, the care and maintenance guide downloads linked thereon), available at [www.darran.com/product-care](http://www.darran.com/product-care), which are incorporated herein by reference.

### LIMITATIONS: MATERIALS / COMPONENTS

- › Laminates, Veneers / Finishes - 10 Years
- › Electrical lamps, Ballasts, Transformers - 5 Years
- › Fabrics, Pneumatic lifts, Foam - 5 Years
- › Custom products built to customers specifications - 3 Years

### WARRANTY EXCLUSIONS

All Warranty Claims are subject to DARRAN-approved inspections. Disputes may involve independent third-party evaluation

### QUALITY ASSURANCE

DARRAN manufactures in accordance with the standards set by Architectural Woodwork Institute (AWI) for Quality Standards.

Every unit produced at DARRAN is completely inspected by an independent quality control team located within each plant whose emphasis is on assembly, finish, and final inspections with empowerment to stop any unit not meeting DARRAN's high quality standards.

### LIGHT AND NATURAL FINISHES

The beauty of veneer and all wood products comes from the variations created by nature including color, grain, and texture.

These variations are not considered defects and DARRAN's Limited Lifetime Warranty does not cover color, grain and texture variations associated with natural wood and grain seen in any finish color. DARRAN sets standards for veneer selections; however, variations, especially apparent in light/natural finishes, will occur from one piece to another even if they are finished at the same time.

Finishes such as Clear Maple, Light/Gunstock Walnut, and Clear/Caramel Cherry will display more natural characteristics due to their light stain. Grain, pattern and color from unit to unit are not guaranteed or warranted and products will not be replaced due to these variations. Exposure to light and age will cause darkening of natural wood products; therefore DARRAN cannot guarantee or warrant finish match of new products being placed with existing products in the field.

### GLASS

Use of glass overlays on surfaces will void DARRAN's Limited Lifetime Warranty, unless the overlay is installed and maintained in strict accordance with DARRAN's instructions. If an overlay is to be used, please contact DARRAN for installation and maintenance instructions.

### GENERAL

Performance questions will be tested to generally accepted practices and AWI guidelines and standards for wood veneer furniture. To obtain performance of the Limited Lifetime Warranty, the purchaser should contact in writing the authorized DARRAN representatives or current dealer who sold the product to the purchaser or mail the warranty claim to:

### THE WARRANTY AS STATED ABOVE, SUPERSEDES ALL PREVIOUS WARRANTIES

(Some items may not qualify. Contact Factory for specific details.)

1. Take digital pictures of the damaged carton and damaged furniture if visible damage is found upon delivery at the dock
2. Open all cartons with puncture or crushed corner damage.
3. Note any damage to the goods on the Carrier's freight bill as number of pieces damaged.

**CONCEALED DAMAGE**

2. Claims made after furniture is installed and/or removed from original delivery location
3. Carton and padding has been discarded
4. Carrier used was not DARRAN approved

DARRAN will issue RA's for the following reasons:

1. Manufacturing defect (inspection required)
2. Order processing error by DARRAN
3. Shipping error
4. Mismarked carton / merchandise

**ATTENTION:** Damage claims involving glass or stone components must be inspected and damage noted on delivering freight bill to qualify for replacement.

**REPAIR CHARGES**

Factory authorization must be secured from DARRAN's warranty department prior to incurring repair charges. Warranty will utilize DARRAN's National Repair Service through the Furniture Medic Franchise ([www.furnituremedic.com](http://www.furnituremedic.com)).

Repair charge authorizations are based on:

- › Set travel rate
- › Average regional job rate
- › Factory set maximum repair time
- › Falsely reported defect claims are subject to local service charges being charged to dealer/distributor.

**FINISH MAINTENANCE**

Wood office furniture and wood finishes can retain their natural beauty for life if proper care is taken and a stable environment is provided. Fluctuations in humidity and temperature cause panels and solid wood components to expand and contract and may lead to panel warpage and finish "checking" or cracking. Prolonged exposure of furniture to dry heat during winter months should be avoided. Careful examination of interior wood trim may indicate a damaging dry environment. If open joints, splits and cracks are appearing in trimwork consult with a HVAC professional for appropriate remedy.

DARRAN finishes are field repairable should damage occur. Professional furniture repair services are recommended. Regular cleaning with a non-silicone polish is recommended.

**ORDERING**

All orders should be emailed, mailed or transmitted by fax to:

DARRAN Furniture Industries, Inc.
