DATUM[®]
storage solutions

Commercial Terms & Conditions

Payment Terms: Deposits are required for all 1st time orders and until credit has been established. Datum's standard terms are NET 30, and Datum does offer prompt pay discounts. All invoices and payments in U.S. dollars.

Pricing: All prices shown are F.O.B. Emigsville, PA 17318-0355 and are subject to change without notice. See separate contract for GSA pricing, terms and conditions.

Minimum Order: \$100 (net). Any order less than \$100 net will be subject to a \$25.00 net service charge.

Shipping: All orders are shipped best way, prepaid and add, unless otherwise noted. Inside delivery, liftgate, 2-man delivery and call-before delivery are available for an additional charge. Please consult factory for additional pricing information.

Ordering Instructions: All orders must be in writing and accompanied by a purchase order number. Quantities, part numbers, paint, and laminate colors must be clearly noted on order. All orders will be confirmed with a written acknowledgment. MobileTrak[®] orders must have signed layout approval for order placement.

Changes to orders: Once an order has entered the production schedule, any changes to that order will be subject to a 25% restocking fee and extended lead time.

Design Service: Datum Storage Solutions offers complete layout-planning services at \$75.00 per hour.

Standard Paint Colors: Products are available in 8 standard paint colors, unless otherwise noted. Other colors may be subjected to an extended lead-time; please consult factory for more information. Datum's state-of-the-art electrostatic powder coat has the capability to paint virtually any color. Minimum upcharge: \$300.00 NET. Please contact the factory for more information.

Datum will only accept returns according to the Cancellation & Returns Policy on the following paint finishes: T15, T47 and T86.

Design Ownership: All designs, plans, layouts, drawings, and specifications are the property of Datum Storage Solutions and may not be used, reproduced or distributed, in whole or part, without prior written consent.

Freight Charges: All shipments will be pre-pay and add unless otherwise specified. Freight charges will be added to the invoice or billed separately, depending on arrangements. Selection of the delivering carrier will be made by Datum Storage Solutions. All freight charges, except carrier's minimums, non-direct and intrastate, will be discounted. Datum Storage Solutions participates in various discount programs with carriers. Any remaining discount amounts not credited to the buyer are used to offset handling, processing, packaging, and related administrative expenses. Buyer has the option of selecting their own carrier, F.O.B. Shipping Point. If this option is selected, shipment must go Freight Collect or third party, and Datum Storage Solutions' responsibilities end when the order leaves our dock. A per-package handling charge of \$10.00 may be added for UPS and FedEx shipments. Datum Storage Solutions is not responsible for brokerage, customs, warehousing or any other fees associated with international shipments.

Weight: Weights shown are approximate and do not include dunnage.

Freight Claims: Datum takes the utmost care when packing our product to prevent shipping damage. It is your responsibility to note on the freight carrier's delivery receipt any damage incurred while in transit. All damage claims must be submitted by you with the carrier.

Concealed damage must be reported to Datum and/or the freight carrier in less than 15 days from the receipt of shipment. If concealed damage is reported in less than 15 days, the carrier and Datum will absorb two third's of the net product cost, the balance of the cost for the replacement product will be billed to the dealer under the original purchase order number. All damage claims must be submitted by you with the carrier.

All concealed damage claims reported after the 15-day time limit become the responsibility of the dealer. All concealed damage claims must be submitted by you with the carrier.

All product that is delivered to a warehouse or an installation facility must be inspected prior to delivering to end destination. If damage is reported after the product is moved, the dealer is responsible for filing the claim with the carrier. If damage is found prior to moving the product, after being signed clear, it must be reported in less than 15 days from delivery.

Concealed damage incurred by a third party carrier is not the responsibility of Datum Storage Solutions.

Note: Crating your product may reduce damage. Datum offers crating for a charge of \$75.00 per skid. Please contact the factory for details.

CAUTION: When you give a delivering carrier a clear receipt for a shipment in which there is damaged merchandise or a shortage, the carrier is relieved of further responsibility. DAMAGE AND SHORTAGE CLAIMS MUST BE FILED BY YOU WITH THE DELIVERING CARRIER. Datum Storage Solutions will not accept return merchandise damaged in transit. Your claim is with the delivering carrier.

Commercial Terms & Conditions, Continued

Cancellations & Returns: ORDERS FOR "SPECIAL" OR "CUSTOM" ITEMS ARE NOT SUBJECT TO CHANGE OR CANCELLATION. No returned merchandise will be accepted without written consent of Datum Storage Solutions. All returned shipments are to be freight prepaid by the shipper and are subject to a handling charge of 25% plus reimbursement of all original transportation charges incurred by Datum Storage Solutions. Once production of "non-stock" items has begun, cancellation of the order is subject to Datum Storage Solutions' approval and a 25% surcharge will be assessed on all approved cancellation items. Custom colors or laminate panels are not returnable.

Return authorization must be requested within 30 days of invoicing and no product may be returned without a prior written return authorization. All returns must be made within 30 days of receiving the written return authorization and are subject to a 25% restocking charge (\$20.00 minimum) plus all incurred freight charges. All returns must be in original packaging and in resellable condition for a credit to be issued. Datum will not issue return authorizations on product that has been assembled by the dealer or the end user.

NO GOODS ACCEPTED FOR RETURN WITHOUT PRIOR APPROVAL. Seller must have the right to inspect any goods claimed to be defective at Buyer's place of business or require Buyer to return the goods to the Seller for inspection on Seller's premises. Transportation charges covering returned goods will be borne by Seller only if such goods are proven to be defective.

Storage: Datum does not have the facilities to store completed orders, therefore all orders must ship when completed. If a postponement of product shipment is requested by the Dealer after the ordered goods are released to manufacturing or at a time when Datum is ready to ship the ordered goods, Datum may transfer the ordered goods to storage at the Dealer's risk and expense. This transfer to storage will be considered delivery to the Dealer for all purposes including invoicing and payment.

Replacements: Replacement requests for damaged or missing parts must be submitted to Datum within 30 days of receipt of product. Damaged product must be signed for, damaged or refused, and reported within 30 days of receipt of product. Replacement requests made after 30 days of receipt of order will be sent out at dealer cost plus freight.

Lifetime Warranty:* Datum Storage Solutions warrants to the original purchaser for the life of the product that it shall be free of any defect in materials or workmanship, so long as the original purchaser is the owner and possessor of the product and the product is installed by a Datum Certified Installer. **For a period of two years from the date of shipment, Datum Storage Solutions will provide all labor free of charge** at the location of the product to repair or replace any part that fails because of such defects. After two years from date of shipment, labor will no longer be provided. All replacements parts will be supplied for the life of the product so long as all requirements are met as set forth in this warranty. This warranty does not include defects to the product resulting from accident, misuse, improper installation or operation, normal wear, neglect, unauthorized repair or alteration. The purchase of this product shall constitute a purchaser's agreement that the sole remedy for any breach of warranty shall be such repair or replacement as expressly provided above. In no event shall Datum Storage Solutions be liable for any incidental or consequential damages arising out of the use or inability to use the product for any purpose whatsoever. Effective January 1, 2015.

ANY PRODUCT NOT INSTALLED BY A DATUM CERTIFIED INSTALLER WILL RECEIVE A ONE-YEAR PARTS WARRANTY.

Contact Datum Storage Solutions for a Datum Certified Installer in your area.

*Lifetime Warranty excludes all tambour doors and all electrical components, which carry a two-year warranty.
Excludes all sales outside of the contiguous 48 states, Canada and Mexico.

MobileTrak® & ArtStor™ Systems

MobileTrak®

ArtStor™

For more information about specifications and pricing, please contact the factory.

TrakSlider™ General Information & Specifications

GENERAL INFORMATION

Product Description: The Datum TrakSlider™ mobile system is designed to increase storage capacity in a minimal amount of floor space while still retaining a high degree of accessibility. Our unique design enables more than half the system to be accessible at any time. All Datum systems are designed to eliminate the need for access aisles between shelves. By eliminating fixed aisles between shelves, retrieval time is reduced and user efficiency is increased. All Datum systems are designed to accept a variety of media storage requirements. All systems are modular in design and can be reconfigured and added onto at any time without the need to disassemble, relocate, or remove existing files.

All Datum TrakSlider™ mobile systems consist of modular, all-welded steel frame and rail assemblies, flush decking, single or multiple row(s) of lateral rolling carriages, and overhead stabilizer & roller assemblies. All systems can be configured as a Bi, Tri, and/or QuadSlider System. All TrakSlider™ carriages include four wheels that ride on a double rail track for an added measure of stability and safety.

SPECIFICATIONS

Material and Workmanship: All Datum mobile systems are manufactured from high quality, cold rolled steel, free of scale or rust. Exposed corners, and surface areas are free of any sharp edges. All rails, stabilizer and carriage assemblies are joined together using state-of-the-art welding technologies.

Tracks: Each modular track assembly will consist of two 14 gauge formed steel rails. The rail assembly will be welded to a minimum of 4 corresponding 14 gauge steel support channels. Track assemblies are easily leveled by adjusting built-in leveling glides found in the support channel located every 12 inches on center. End stops are installed at each end of the rail assembly to provide a safe, cushioned stop for the mobile carriage. All track assemblies include a stainless steel decorative cap. This cap will be attached to the front of the track assembly giving it a finished profile.

Decking: Decking will be manufactured of 16 gauge formed steel, coated with a non skid textured finish. Deck panels will be installed between each rail creating a smooth unobstructed finish.

Top Stabilizers: Top stabilizers consist of a single or double 18 gauge steel formed channel attached to the stationary rack, and a 14 gauge steel bracket with two 1-3/8" nylon faced ball bearing rollers attached to the top of each mobile rack. The bearing assembly will be adjustable to compensate for any irregularities in the floor.

Carriages: Carriages consist of sections of "U" shaped formed cold rolled steel 13 gauge and 14 gauge stringers and cross members, all electrically welded to form a strong and durable frame.

Wheels: Carriage wheels will be 2-3/16" in diameter and made of Delrin®. Each wheel will have (1) 1-7/8" diameter heavy-duty, double sealed, permanently lubricated ball bearing. There are a total of four wheel assemblies per carriage.

Finish: All steel parts are thoroughly cleaned using a three-stage iron phosphate washer and then coated with an Epoxy-Hybrid powder coat finish using a state-of-the-art electrostatic paint system. Powder coating is more environmentally friendly than liquid paint and provides a durable uniform finish that is scratch and corrosion resistant.

Size: TrakSlider Systems are available in three standard configurations (Bi, Tri, and Quad) to fit virtually any storage requirement and room size.

Specifying and Ordering: To help select the right application for your needs, Datum offers three different track systems:

Preconfigured Assemblies: All Datum track systems are designed to fit virtually any type of shelving. We have also made it easy to order. Simply pick the system to fit your shelving application and room requirements. Again, one part number will include all necessary track and hardware for a complete system.

Starter and Add-On Track Assemblies: All track assemblies are available as individual components, which can be mixed and matched in virtually endless configurations for optimum space utilization. All track assemblies can be joined together to create a customized filing system. Please note that when ordering systems as individual components, you will require at least one Starter track assembly.
