5. CARE AND MAINTENANCE: To maintain your LIAT product for years of use, please follow these care and maintenance guidelines:

Wood Care and Maintenance: Use a damp, lint free cotton cloth for general dusting. Work with the grain of the wood.

Laminate Tops: Laminates may be cleaned using a damp cloth and mild soap.

Marmoleum Tops: Marmoleum can be maintained by dry or wet maintenance systems. For detailed product specifications or maintenance information, contact Forbo Industries Support Services at 1-800-842-7839 or visit their website www.forbo-industries.com.

Metal Finishes: Mix a solution of liquid soap and warm water. Saturate a clean cloth with this mixture. Wipe down metal then dry completely.

Acrylic Products: Use only products specifically recommended for cleaning acrylic, or a mild solution of dish detergent and warm water. Do **NOT** use any cleaner containing ammonia to clean your acrylic products. Do **NOT** use a dry cloth or your hand to clean the acrylic - this will rub the dirt and dust into the acrylic and can scratch the surface.

Fabric Care: The ability to be cleaned will vary based on the type of fabric. For best results, a professional service is recommended. Dirt and crumbs may be gently brushed or vacuumed off. Spill should be wiped up immediately with a cloth. If upholstery has been protected with Scotchgard or Zepel, the coating should be re-applied yearly. Vinyl textiles can be cleaned with warm soapy water and then wiped down with a warm damp cloth.

6. CLAIMS. All shipments are delivered to the carrier in good condition and Company's liability ceases after acceptance by carrier. If shipment arrives short or damaged, the Customer must file a claim immediately with the carrier. In the event of concealed damage, notify carrier and request an immediate inspection. Keep all cartons and packing material. Failure to file claim within 15 days after receipt of Goods constitutes acceptance and a waiver of any such claims

7. DISCLAIMER OF WARRANTIES: The express warranties below are the Company's sole warranties of its Goods, there are no understandings, agreements, representations, or warranties, express or implied (including any regarding the merchantability or fitness for a particular purpose), not specified herein, respecting the Goods. Except for those obligations of the Company identified in these Terms and Conditions, all risks related to the quality and performance of the Goods and responsibility for repair or service costs rests solely on the Customer. Company reserves the right to limit the applicable warranty to the Goods depending upon the division or catalogue through which said Goods were sold. Some states do not allow limitations on implied warranties, limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to all Customers.
