Unique and charismatic

CORAL is truly a multifunctional piece of furniture. Be creative and combine the colours and materials to perfectly complement your interior.
Year of design: 2011

Function:

High comfort. Decorative. Multifunctionel. Easy to move.

Features:

Geometric and functional design...

A ultrafunctional pouf with its sculptural design is a quite right accessory in an exciting design. A play with classical, geometric forms gives a design that surprises and challenges the common comprehension of this classical type of furniture.
