

California Department of Education

Certificate of Recognition

is presented to

Travis Education Center

In honor of your recognition by the
California Department of Education as a
Model Continuation High School for 2022.

You work to assist your students in reaching their academic goals and provide support and resources to address their social emotional learning. Your passion to develop and nurture the “whole student” is commendable.

The innovative programs and comprehensive services being provided demonstrate an enduring commitment to better serve students with diverse needs.

Congratulations on this well-deserved honor. I wish you all the best in continuing to develop programs that allow your students to thrive personally and academically and thank you for your commitment to mentor your peers.
