We understand that the WBL and worksite are consistent with “Guidelines for Vocational Education Programs for Eliminating Discrimination and Denial of Services on the Basis of Race, Color, National Origin, Sex and Disability,” as well as with federal requirements of nondiscrimination in education programs or activities receiving federal financial assistance. 34 C.F.R. §104.4, §106.38 (a)(b), and §100.3 (c).

We have reviewed and are in agreement with the description, learning objectives, activities, and assessments, and assignment of grade and course credit of this school-sponsored WBL. We agree to complete all paperwork and maintain all documentation required for this WBL. The WBL Coordinator and the Worksite Mentor agree to conduct regular monitoring of this WBL every day that the student reports to the worksite. The student agrees to uphold his/her responsibilities in compliance with this training plan.
