Do NOT create a new account if you already have one.

If you already have an account and received a link to register for a course or event, **click on the link** and it should take you to the login page.

Click **Already Have an Account?** to login.

Do **NOT** create a new account if you already have one.

If you do not remember your password, go to the main page and **recover your password**.

IMPORTANT: Once you are logged in to the registration system, **go back to the link** you received and click on it again to add the course or event to your cart.

If You Do NOT Have a Metro RESA Account

If you do not have an account in the registration system, the link will take you to the Registration Page as shown above.

Register

Complete **ALL** fields on the Registration page and **click Register** when finished.

Use your personal email to register so that it will follow you if you change schools or districts.

Your temporary password will be emailed to you. You may change your password.

IMPORTANT: Once you are logged in to the registration system, go back and **click on the link** sent to you for registration.

Your login and password for registration will also be your login and password for the Blackboard Learning Management System if your course uses Blackboard.

ALWAYS change your password through the registration system, NOT Blackboard.
