*Greetings!*

*You are in for a treat this year at Winter Institute 2024. Our lineup of thought leaders spans all grade levels and teaching assignments. There is something for everyone. If you are looking for a day of professional development where you can engage, learn, and make valuable connections with educators from other schools, this is the place for you. Our workshops will give you space to reflect on your teaching practice and restore your energy for the classroom. Come on, you deserve this day!*
