

Dear Families,

This is a choice board that your child can do at home if we need an "e-learning" day due to inclement weather or on a day your child is unable to attend school.

Please save these activities for a time when your child is at home looking to do some "homework".

In addition, I will also push out Seesaw activities to complete with your child at home.

Let me know if you are unable to connect with that learning platform.

<b>Preschool Choice Board</b>		<b>Pick 1 activity from each area to complete on an E -Learning Day</b>
