

# Deseret Peak High School Boundary

#### Elementary Option #2c Adjusting Northlake's northern boundary to follow 1000 N.

Deseret Peak High School Boundary - Elementary Option #2c

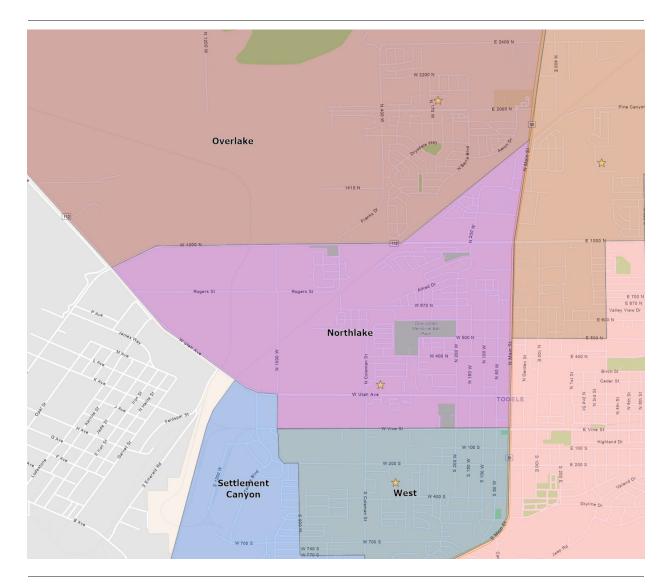

## **Elementary Schools**

- Copper Canyon
- Rose Springs
- Middle Canyon
- Northlake
- Overlake
- Settlement
- Sterling

Deseret Peak High School Boundary - Elementary Option #2c

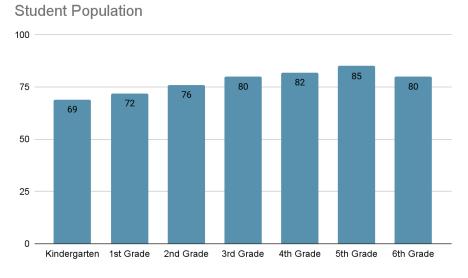

### Northlake Elementary School

### **Boundary Proposals**

- Sunset mobile home and RV Park moved into Northlake's boundary.
- The western boundary has been extended west from Coleman St to 900 W.
- The block in between 400 S and 520 S has moved from Sterling to Northlake's boundary.
- The Maples and Gateway Apartments neighborhoods have been moved to Northlake's boundary.

Deseret Peak High School Boundary - Elementary Option #2c

#### Northlake Student Summary

With the proposed changes the student population at Northlake would be approximately:

- 69 students in Kindergarten.
- 72 students in 1st grade.
- 76 students in 2nd grade.
- 80 students in 3rd grade.
- 82 students in 4th grade.
- 85 students in 5th grade.
- 80 students in 6th grade.

The total student population would be 545 students. Northlake's maximum student capacity is 950.
