

Longwood High School

Career & Technical Education (CTE) Technical Endorsements

Longwood High School

Career & Technical Education (CTE) Technical Endorsements

What is CTE?

Career & Technical Education

Career and technical education (CTE) prepares students for a wide range of high-wage, high-skill, high-demand careers.

Requirements for a CTE Technical Endorsement

- completion of a minimum of 22 units of credit
- passing grades on five required Regents examination(s) or approved alternatives
- completion of a minimum of 3.5 CTE credits
- completion of a 3-part technical assessment (written, demonstration, project components)
- completion of work-based learning experiences as provided by the approved program
- completion of a work-skills employability profile

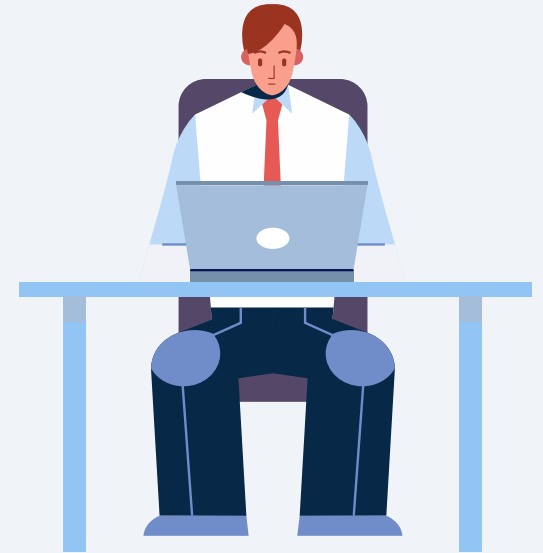

Students who complete the program...

...are receiving instruction from a High Quality CTE Program

...are College and Career Ready

...are Engaged in Learning

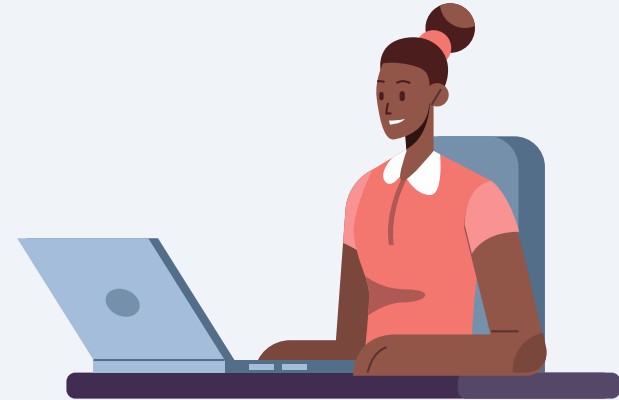

...have Real-life Connections with Careers and the Workplace

Students who complete the program...*(continued)*

- ...have Proof of Competency at a National Industry Standard
- ...are provided the Opportunity for College Credit, Advanced Standing, Tuition Reduction
- ...receive a Technical Endorsement Seal on their Diploma
- ... are eligible to participate in the CTE (4+1) Graduation Pathway
