

Hello!

I am the Music Educator and Choir Director at Thornton Elementary School. The choir this year is 40 kids spanning grades 3-5. They have been working hard on our seasonal repertoire, meeting weekly afterschool to practice. It is my goal for them to attend an Elementary School Music Festival at Elitch Gardens in Spring 2024, and I need your help to make this once in a lifetime experience become reality.

Thornton Elementary is a Title I school with a diverse student population, 83% of which is eligible for free and reduced lunches. In order to provide opportunities such as this, to which other elementary schools often have easy financial access, it is necessary for us to seek community-based sponsorship funding. This event will grant students the gift of an unforgettable experience and enrichment far beyond the classroom.

Our goal is to raise a total of \$3,500 so that every student in our choir group can attend and we are hoping that you will consider supporting the Thornton Elementary Choir in one of the following ways.

1. **Tier 1 Sponsorship** – \$250 donation which includes a shout out to your business on our school's social media pages.
2. **Tier 2 Sponsorship** – \$500 donation which includes a shout out to your business on our school's social media pages, and your business logo in our concert programs.
3. **Tier 3 Sponsorship** – \$1000 donation which includes a shout out to your business on our school's social media pages, and your business logo in our concert programs and on our event t-shirts!

I hope you'll consider strengthening the future of some of Thornton Colorado's cherished children. Contributions to public schools and districts are tax deductible and you will receive a receipt and thank you for your donations. Contributions below the Tier 1 level are also welcomed with gratitude!

Please feel free to respond via email with any questions or to confirm your sponsorship. You can reach me at sar026322@adams12.org. Donations by check can be made out to Thornton Elementary (please include Choir Festival on the notes line) and mailed to:

I hope you'll join us for our annual Winter Concert on December 20th at 6:30pm in the Thornton Elementary School Gymnasium to witness the power of music and how hard these young children are working. Concert flyer is attached.

Thank you in advance for your support.

In gratitude,
Kairos Sargent-Knudson
