KINDERGARTEN SCHOOL ADMISSIONS

Registration material, including instructions, will be mailed to those parents with children entering kindergarten in September. Parents of children eligible for kindergarten in September who have not received registration materials are urged to contact the principal of the Kennedy School to secure the necessary information.

Birth certificates and immunization records should be presented at the time of registration.

A pupil orientation program shall be held for all children entering kindergarten in the fall. Specific information will be mailed to those who have registered.

Publicity will be made in the newspapers and school notices.
