SCHOOL ADMISSIONS

All children of school age who reside in the district will be entitled to attend the public schools, as will certain children who do not reside in the district but who are admitted under School Committee policies relating to non-resident students or by specific action of the School Committee.

Advance registration for prospective kindergarten students will take place in April. Every student seeking admission to school for the first time must present a birth certificate or equivalent proof of age acceptable to the Principal and proof of vaccination and immunizations as required by the state and the School Committee. Proof of residency of legal guardianship will also be required by the school administration.
