THE WGU DIFFERENCE.

Personalized, one-to-one faculty support.

Program mentors work with WGU students personally, providing one-to-one coaching, guidance, and support from enrollment through graduation.

You can accelerate your degree.

At WGU, your success is measured by learning, not time spent in class. You'll advance through your courses as quickly as you prove mastery of the material and skills, potentially saving you time and money.

You've got commitments. We understand. That's why WGU has made our programs as flexible as possible.

- No set log-in times.
- Take tests when you're ready, not on a set schedule.
- Complete coursework, tests, and assignments any time day or night.
- Customize your school schedule to fit your needs.
