

New York State Scholarship for Academic Excellence

Pending the appropriation of funds by the New York State Legislature, 8,000 Scholarships for Academic Excellence will be awarded. Based on enrollment, DHS has typically been allotted four Scholarships to award.

This is not a scholarship you can apply for, but we are obligated to publish information about the scholarship and selection criteria. At Dansville High School, candidates for the NYS Scholarships for Academic Excellence are selected by computing a weighted average of the following Regents exams:

English Language Arts	Weight of three
Algebra II	Weight of three
Global Studies and Geography	Weight of one
US History and Government	Weight of one
Two Highest Science Exams	Weight of one each

The student with the highest average of these tests may receive a \$1,500 scholarship; the students with the next three highest averages may receive a scholarship of \$500 each. Awards are renewable for up to four academic years of undergraduate study. Winners will be announced in December.
