

PCPS Happenings

PPS / PES

PPS thoroughly enjoyed celebrating holiday spirit week which will end with a free book for every student to snuggle up with over winter break. Thank you to go our PPS PTO for this wonderful program!

The Kindergarten winter festival brought a packed house on Dec. 4th. The students were amazing! Much thanks to Ms. Ferris, Mr. Parker, and for all of the support from the staff for a great evening!

Our teachers have been doing great things in the classrooms! Ranging from habitat projects in 2nd grade, a quilted class tree to build community, and STEM activities in the media center!

PPS and PES look forward to having the PMS band chorus and band come to kick off winter break in style!

PES is also having a fun-filled holiday spirit week with festive colors, accessories, and holiday sweaters. Teachers are bringing the cheer into their classrooms with aligned activities that bring the spirit!

Thank you to the PES PTO for offering a holiday shop for students to get gifts for their family members!

PMS / PHS

The PMS Book Fair was a huge success and brought in 101 books for the library! Thanks to all that attended and supported your readers!

Congrats to the December PMS Golden Bulls: Charlotte Jordan, Annaliese Bolte, and Isabella Jimenez. Great work!

The PMS Builders Club brought in 270 items to donate for our local food pantry at Parish Thrift Shop. Thanks to all that donated!

PMS and PHS Bands and Choruses are all holding incredible performances. The musical gifts our students (and staff) have are very impressive! All performances are open to the public and we encourage all to attend!

Congratulations to the Senior of the Month - Alexis Peshehonoroff who was recognized at our December school board meeting!

PHS students are in the giving spirit and have donated to the Langley Spouses Club Annual Airman cookie drive, Deck the Halls with PAWS, a food drive, and a plastic bag drive! This is certainly the season for giving!

Our Academic Challenge team has been dominating! Come watch it in action and/or follow their progress on social media!

Fall sports have concluded and winter is in full swing. Congrats once again to the football team for making state playoffs! Come out and support our swim, indoor track, basketball, and wrestling teams!

District

Congratulations to our teachers of the year: Apryl Deaton, Jennifer Barnes, Jonathan Jones, and Gloria Insley. An additional CONGRATS to Jonathan Jones for being nominated as the PCPS Division Teacher of the Year!

All four schools would like to take this opportunity to thank their Parent/Teacher Organizations. They do so much for each school and we are grateful for their support and dedication. If you're not a part of your school's PTO yet, we highly encourage you to join and get involved! Look for upcoming meetings and updates in Parent Square!

PMS Paraprofessional, Charlie Woolf, has been honored with a state RISE award which recognizes the work of non-certified instructional staff. He will now complete on the national level. We are so proud and grateful for Mr. Woolf's dedication to our students!
