

SPECIAL FACILITY CONSTRUCTION ACCOUNT

§1013.64(2), Florida Statutes

Bid Advertisement Agreement

As stipulated in section 1013.64(2)(a)7., Florida Statutes, the District School Board of Hendry County agrees to begin advertising for bids within thirty (30) days of receiving an encumbrance authorization for the construction of 9th - 12th grade school at LaBelle High School as funded by the Special Facilities Construction Account.

The District School Board of Hendry County understands and agrees that if a contract for construction has not been signed ninety (90) days after the advertising of bids has been completed, the funding for this project shall revert to the Special Facility Construction Account to be reallocated to other projects. The District School Board of Hendry County further understands that an additional ninety (90) days may be granted by the Commissioner of Education.
