WENDY DIAZ

MATH

BIOGRAPHY

It is my pleasure to introduce myself! My name is Wendy Diaz and I am very excited to be teaching 6th grade Math this 2023-2024 school year. I am 25 years old and in 2020, I received my Bachelors of Science in Biomedical Science from the University of Texas Rio Grande Valley with a minor in Medical Spanish. I am an alumna from STISD and graduated from Medical Professions back in 2016. During my spare time, I enjoy reading and spending time with my family and friends. Some fun facts about me, I am a middle child. I am a HUGE FAN of Marvel movies as well as the sitcom FRIENDS. My favorite colors include green and lilac. My favorite candy is the Sour Patch Watermelon. I love teaching mathematics and I know this will be a wonderful year full of learning and fun, not to mention, an incredible year of change. I look forward to meeting and teaching all of you!
