BIOGRAPHY

I am so excited to begin the school year with our incoming students! Working with students has furthered my own love of learning, and I couldn't be happier to be here at Rising Scholars Academy. This will be my 6th year teaching at RSA and my 9th year in education.

I received my Bachelor's degree from Texas A&M University - Kingsville in Fine Arts in 2013. While I was in college, I was the Secretary of the Art Club, tutored in Art History, and studied abroad in Austria as part of my undergraduate degree.

I was born and raised in Harlingen, Texas. In my free time I enjoy reading, singing, playing guitar, yoga, and painting. I also have two dogs named Monkey and Coco!

Since my first job as an Art History tutor, every job since then had me teaching students in one way or another. This is how I knew that the classroom was where I was meant to be. I am looking forward to this school year with an open mind and an open heart ready to share my love for history with our Rising Scholars!
