### Article 16 Severance Pay Plan

---

16.1 For the purpose of determining eligibility for retirement, employees who are M.E.R.F. members will qualify for retirement with twenty-nine (29) years and one (1) day of service with the district.

As of July 1, 2001 all employees that are currently members of the bargaining unit that have accrued ten years or more of continuous service with the employer, shall receive severance pay upon any separation, except for discharge for cause. In the event an employee dies, accumulated and unused sick leave will be paid at the current rate of pay to the beneficiary named by the employee for basic life insurance benefits.

Employees with less than ten years of continuous service with the employer shall receive severance pay upon mandatory retirement or retirement at social security eligibility, death, or layoff. Severance pay shall be equal to 100% of the employee's accumulated, but unused, sick leave balance (which balance shall not exceed 900 hours). As of April 1, 2008 employees who were members of the bargaining group as of July 1, 2001 shall have a payment deposited into an account with the Minnesota State Retirement System's Post-Retirement Health Care Savings Plan that equates to 100% of their unused sick leave (which balance shall not exceed 900 hours) balance. Implementation is subject to IRS rules and regulations.

For those employees who became members of the bargaining unit after July 1, 2001 Severance pay shall be calculated at 50% of the employee's accumulated, but unused sick leave balance (which shall not exceed 900 hours). As of April 1, 2008 employees who were members of the bargaining group after July 1, 2001 shall have a payment deposited into an account with the Minnesota State Retirement System's Post-Retirement Health Care Savings Plan that equates to 50% of their unused sick leave (which balance shall not exceed 900 hours) balance. Implementation is subject to IRS rules and regulations.

All employees hired effective July 1, 2008 and thereafter shall only be eligible for the Career Transition Trust.

16.2 **FORMER MAAC EMPLOYEES** who are at least fifty-five (55) years of age or who are credited with thirty (30) years of service by the applicable retirement fund will have payment for 55% of unused sick leave paid at the rate in effect at the time of separation, deposited into a Minnesota State Retirement Services (MSRS) Post-Retirement Health Care Savings Plan account established for the employee. This provision is subject to any limitations that may be imposed on such payments by statutes.

16.3 **FORMER ELT EMPLOYEES:** The District shall pay employees hired prior to July 1, 2010 the equivalent of fifty percent (50%) of unused accrued sick leave for employees who have been employed in the District at least ten (10) years, or fifty-five percent (55%) for employees who have been employed in the District fifteen (15) or more years. The amount shall be based on the daily rate of pay as of June 30, 2010 and shall not exceed the number of unused, accrued hours as of that date.

## Severance Pay Plan

---

Employees may elect to have all or part of the severance payment placed into their account with the State of Minnesota Deferred Compensation Plan or the District sponsored Tax Sheltered Annuity (TSA) Plan consistent with the requirements of the plan. The balance, if any, will be paid directly to employees. Employees, not the District, are solely responsible for determining the maximum allowable annual contribution amount to deferred compensation/TSA.

To the extent permitted by Federal law and Treasury regulations or other similar guidance, accrued bona fide sick will be paid within two and one-half (2½) months of Participant's severance from employment so long as the employee would have been able to use the leave if employment had continued. Any balance remaining after application of the above calculations shall be paid out as a lump sum payment.

### 16.4 CAREER TRANSITION TRUST:

#### 16.4.1 Definition of Plan:

- a. Effective July 1, 2008, employees who meet the eligibility requirements may participate in Career Transition Trust by converting the allowable number of accrued sick leave hours, at 100% of their daily rate of pay, into payments to the State of Minnesota Deferred Compensation Plan (457) or the then applicable 403 (b) Plan offered by the District. The Career Transition Trust Plan is an employer contribution, which allows for such conversion until the employee reaches the maximum-capped deposit for the tier of benefits. The number of hours, which may be converted, is based on the sick leave conversion hours on September 1st of the fiscal year the conversion will be made.
- b. Employees may elect to participate in the Career Transition Trust plan at any time they have met the eligibility requirements for participation in Subdivision 2.
- c. The total amount of dollars converted by an employee under the Career Transition Trust program is capped at \$35,000.
- d. Any hours, which have been converted into the Career Transition Trust, will not be available for use as sick leave.
- e. Employees who resign and are subsequently reemployed by the District are not credited with their previous sick leave accrual hours.

#### 16.4.2 ELIGIBILITY FOR PARTICIPATION IN THE CAREER TRANSITION TRUST:

- a. Sick Leave Balance
  - i. To be eligible to convert accrued sick leave hours, employees must have a sick leave conversion balance of at least thirty (30) days on September 1st of the fiscal year of conversion.
  - ii. Employees must enroll annually to participate in the Career Transition Trust. If the employee's sick leave conversion balance drops below the eligibility minimum of thirty (30) days, the employee's participation is suspended until the employee reaches the minimum of thirty (30) days sick leave conversion required for eligibility and participation.
- b. Deposit of benefit
  - i. Payment to the State of Minnesota Deferred Compensation (457) or the then applicable 403(b) Plan shall be made in March of each year the employee is eligible and elects to participate.

## Other Provisions

---

- ii. The Career Transition Trust is subject to the rules of the State of Minnesota Deferred Compensation Plan under Minnesota Statute 352.96 and the Internal Revenue Service.

16.4.3 **BENEFIT TIERS AND CONVERSION FORMULA:** The balance in the sick leave conversion account is equal to the employee's current accrued sick leave added to any days previously converted.

### Annual Conversion

- a. The number of hours an employee may convert on an annual basis is determined by the employee's sick leave conversion balance.
- b. Conversion is as follows:
  - i. Employees who have a sick leave conversion balance of 30-39 days may convert 8 days annually at their daily rate of pay with a cap of \$20,000.
  - ii. Employees who have a sick leave conversion balance of 40-49 days may convert 10 days annually at their daily rate of pay with a cap of \$25,000.
  - iii. Employees who have a sick leave conversion balance of 50 or more days may convert 12 days annually at their daily rate of pay with a cap of \$30,000.

This deposit is made in accordance with Minnesota Statute 352.96. All payments shall be made at the daily rate of pay at the time of deposit.

16.4.4 **Death of Employee:** The Career Transition Trust account shall be disbursed to the employee's named beneficiary on the 403B or 457 account as named at the time of death.

### Appendix A-3 Annual Salary Calculator – Employees on less than 52-Week Schedule

To determine an employee's annual salary from the 52--week salary schedule, use the following calculation:

**Calculation:**

Step One: Employee's assigned number of work weeks ÷ 52 weeks = \_\_\_\_%

Step Two: \_\_\_\_% x Annual salary in the charts below = annual salary

**Example:**

An employee's assigned schedule is 48 weeks, pay grade & step are Grade 51, Step 5. The annual salary for a 52-week employee at that grade and step is \$63,479:

Step One: 48 weeks ÷ 52 weeks = 92.31%

Step Two: 92.31% x \$63,479 = \$58,597
