Purpose of the Brownsville ISD Texas ACE Programs

From the TEA Texas ACE website

Texas ACE (Afterschool Centers on Education) provides no-cost activities before and after school and during summer for K–12 students in Title I schools. The program is federally funded through the Texas ACE program Community Learning Centers (CCLC) and administered on the state level by TEA.

When the last bell rings, Texas ACE is just getting started with interactive, hands-on learning disguised as fun and aligned to the school curriculum. Local programs also provide homework help, tutoring, and other targeted needs-based assistance, as well as enrichment activities such as sports, clubs, and youth development projects that build character, confidence, and leadership skills.

The Texas ACE program operates more than 700 learning centers in more than 140 school districts and employs thousands of Texas teachers. The longer a student stays enrolled in a high-quality Texas ACE program, the more they stand to benefit. Many students attending for more than 30 days experience measurable improvements such as:

- Increased grade promotion
- Fewer absences
- Improved grades

This handbook will familiarize you with the TX ACE program policies and procedures. **The BISD 2023-2024 Student-Parent Handbook guidelines apply to the Texas ACE program. *Your signature on the registration form acknowledges that you have reviewed this handbook and understand its contents.***

Attendance

If your child cannot attend the TX ACE program due to an illness or other circumstances, kindly notify the campus office or designee through email, telephone, or a written note sent via the school's front office staff. If you choose to send a note, please address it to the campus administrator or the ACE site coordinator to ensure its successful delivery. Please note that your child is not permitted to attend the Texas ACE program on days absent from school due to illness or suspension.

It is essential to always keep the direct number of your Texas ACE program site with you. Every campus administrator has a BISD email address through which you can communicate with them. However, please note that emails may be read after some time as our employees may be away from the computer.

Behavior

The Texas ACE program adheres to the policies and guidelines outlined in the BISD 2023-2024 Student-Parent Handbook. Students must display good behavior to ensure the success of the Texas ACE program and to create a positive and safe learning environment for all students.

All students participating in the Texas ACE program are expected to maintain good behavior and be held accountable for any actions violating the board-approved 2023-2024 BISD Student Code of Conduct. If a student fails to follow district, campus, and program rules, they will face disciplinary consequences based on the severity of the offense. These consequences may include dismissal from the program, but homework or reading assignments will not be used as a disciplinary tool.

Parents will be notified of their child's behavior and advised of the consequences if it continues. The school principal will be informed if the Texas ACE program recommends dismissal as an appropriate course of action. It is important to note that participation in the program is a privilege and not a right, and maintaining good discipline is a requirement.

Additionally, the Texas ACE program will enforce any disciplinary consequences imposed by the school staff for infractions during school hours. A student must behave appropriately during regular school hours to be allowed to participate in the Texas ACE program. Students dismissed from the program will not be allowed to return for the remainder of the school year.

Discipline and Guidance

The Texas ACE program personnel will adhere to district and campus policies and procedures, promoting consistency and facilitating student success.

Discipline must be:

1. Individualized and consistent for the child
2. Appropriate to the child's level of understanding
3. Directed toward teaching the child acceptable behavior and self-control

Emergency (Illness and Injury)

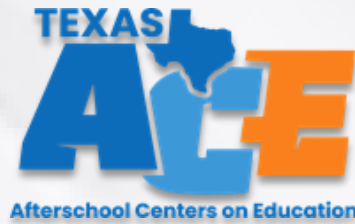

In the event of a severe accident, illness, or injury, the Texas ACE program staff will make every effort to contact the parent or guardian. If necessary, an ambulance may be called to transport the student to the nearest hospital. In the case of minor cuts, scratches, and bruises, a certified employee of the Texas ACE program will provide emergency first aid. An accident report will be completed and shared with the parents.

If a serious accident or incident occurs, 911 will be called first, followed by the parents of the involved student. The child's well-being is the top priority, and Texas ACE program personnel are expected to always act in the child's best interest.

It is important to note that the Texas ACE program and the District are not responsible for transportation or medical costs associated with a student's illness or injury, as stated in the BISD 2023-2024 Student-Parent Handbook policy.

Enrichment

Children participate in activities that benefit them academically, emotionally, socially, and physically. The activities may vary based on the availability of services and staff.

Activities may include the following:

- Homework or Library Time/Accelerated Reading
- Hands-on/Minds-on Science
- Language Arts/Accelerated Reading/Literacy Review workbooks
- Math, Science, and Language Arts culminating in a theme-related project
- Math, Science, and/or Language Arts, which may include fine arts and/or projects of interest
- Computer Literacy in Math, Science, and/or Language Arts
- Writing Enrichment
- Physical Fitness and Sports

Enrollment Eligibility

Children may enroll in the campus's Texas ACE program if they are enrolled at one of our BISD ACE centers. The BISD ACE centers are Ortiz Elementary, Martin Elementary, Russell Elementary, Paredes Elementary, Burns Elementary, Peña Elementary, Perez Elementary, Castañeda Elementary, Cromack Elementary, Garza Elementary, and Del Castillo Elementary (*Garza Elementary students may enrolled at Del Castillo*).

Health & Safety

Parents must inform the campus and the Texas ACE site coordinator if their child has a known medical condition such as asthma, diabetes, seizures, or disorders or takes any prescribed medication. All medical information should be listed on the student health or information card, and contact phone numbers must always be updated.

Holidays

The Texas ACE program will be closed on district holidays. The campus website will have a schedule of closures, or you can request an ACE calendar from your campus site coordinator.

Homework

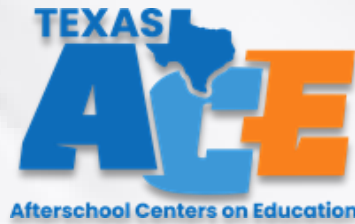

The Texas ACE centers will offer homework help, guidance, and support. However, it is each child's responsibility to remember and complete their homework. Please note that the Texas ACE program will not be responsible for checking a child's homework or confirming whether or not they have an assignment on a given day.

Illness Exclusion

Parents are required to pick their child up from the Texas ACE program immediately if the following conditions are present:

- Head Lice
- Vomiting and Diarrhea
- Contagious Disease
- Serious Injuries Requiring Medical Treatment
- Oral fever of 100.0° F or above

Before returning to the Texas ACE program, a child must be fever-free for 24 hours without medication.

Late Pick Up

The Texas ACE program ends at either 5:15 p.m. or 6:15 p.m., depending on the activity. If a parent or guardian arrives after 6:15 p.m., they will be marked as a "late pick-up." The parent will be given a "late pick-up" notice when they pick up their child. It is considered excessive if a parent is marked as a "late pick-up" three times.

Upon the third "late pick-up," your child **may** be dismissed from the program for non-compliance with this guideline. Campus administrators should be notified immediately if there is a family emergency. If a parent/guardian fails to pick up the child by 6:15 p.m., the situation may be referred to the BISD Police Department, resulting in dismissal from the program.

Medication

After listing the prescription on the emergency form, the school nurse should administer medication during regular school hours or at home. Afterschool programs do not have a nurse available.

Operating Hours

The after-school Texas ACE program offers activities that start before school from 7:00 a.m. to 8:00 a.m. and after school from 3:15 p.m. to 5:15 p.m. for some programs and from 5:15 p.m. to 6:15 p.m. for others. It's important to note that the Texas ACE program only provides services on full-day instructional days in BISD. Texas ACE classes or activities are not held on teacher work days or district holidays.

Parent/Legal Guardian Participation and Visitation

Parents or legal guardians of the Texas ACE program students are welcome to participate in various programs and events. However, to volunteer, the parent or legal guardian must first submit all required volunteer documents and receive clearance through BISD. A background check will be conducted for the safety and security of all students and staff. It's important to note that parents can only volunteer with students if the district has granted them clearance.

All visitors and volunteers must display the appropriate visitor or volunteer badge, which will be provided after presenting a proper form of photo identification. While visitors are always welcome, it's crucial to prioritize the security of all children.

Personal Belongings

The Texas ACE program is not responsible for lost or stolen personal belongings. Please label your child's jackets, backpacks, and other items with their name.

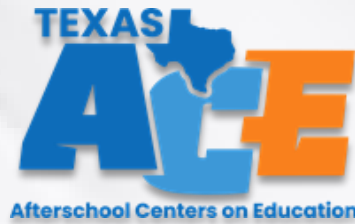

Registration/Emergency Forms

Parents are responsible for completing and submitting the application to the Texas ACE site coordinator. This information must always be up-to-date, especially during emergencies that may affect you or your child. Any changes in *contact information* must be immediately reported to the campus administration.

Parents must disclose special needs or health concerns on the child's registration form.

Failure to disclose special needs or unique health concerns during registration may result in dismissal from the program.

Completing the Texas ACE registration form does not guarantee admission to the program. All grant activities offered through our afterschool program are contingent on funding and staff availability.

Sign Out Procedures

If you need to pick up your child from the Texas ACE program early, you must go to the front office, present a valid photo ID, and have your name on the district/campus student release form.

Snack/Meals

Brownsville ISD Afterschool programs will offer meals from 3:15 p.m. to 3:30 p.m. after regular school hours.

Weather and Closing of Schools

Parents and guardians must stay informed about school closures due to weather conditions. They can listen to local radio and television stations or check the District website for updates. Additionally, BISD uses a phone messaging system to send emergency information. Parents and guardians must understand the campus's emergency procedures for bad weather, such as tornadoes, heavy rain and flooding, and hurricane watches/warnings. If the school is closed due to weather, all Brownsville ISD after-school programs will also be closed.

Emergency Preparedness

Brownsville ISD is committed to ensuring the safety of its students, employees, visitors, and other stakeholders. The Brownsville ISD after-school program works closely with the district's emergency plans and procedures to guarantee an efficient and effective response and recovery in case of any incidents. The Texas ACE program will follow the same operations plans as the regular school day during emergencies. Therefore, parents and guardians must be familiar with these procedures, including "lock-downs" and fire drills. BISD Parents' Guide for School Emergencies is available for reference.

Non-Discriminatory Statement

BISD does not discriminate based on race, color, national origin, sex, religion, age, disability, or genetic information in employment or provision of services, programs, or activities.

2023-2024 Texas ACE Guidelines Agreement Form

School the student attends:

Student's ID # Homeroom Teacher Grade"

The Texas ACE program ends at 6:15 pm each day. After 6:15 pm, a parent/guardian will be marked as "late pick-up." A "late pick-up" notice will be provided to the parent when they pick up their child. Three "late pick-ups" will be considered excessive.

Upon the third "late pick-up," your child may be dismissed from the program for non-compliance with this guideline. Campus administrators should be notified immediately if there is a family emergency. If a parent/guardian continually fails to pick up the child by 6:15 pm, the situation may be referred to the BISD Police Department and result in dismissal from the program.

Parents/guardians must comply with the pick-up time of 6:15 pm because campus staff for this program is scheduled to leave campus after this time.

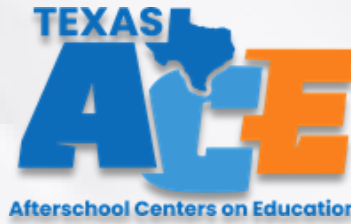

By signing this document, you acknowledge that after the third late pick-up, your child may be removed from the Texas ACE program and are willing to comply with all content in this handbook.

Signature of Parent/Guardian

Date

Note: The student must return this form to the homeroom teacher immediately after receiving the parent/guardian's signature. Failure to sign and return this receipt does not remove the responsibility to abide by the contents of the 2023-2024 TX ACE program Parent Handbook.

Please sign, date, and return to the campus administration or Texas ACE site coordinator.

Brownsville ISD Afterschool Programs 2023-2024 Student Release Form
