STUDENTS

ACCIDENT INSURANCE

The Board recognizes the need for insurance coverage for unforeseen accidents that may occur in the course of attendance at school or student participation in the athletic and extracurricular programs of the schools.

The Board will provide parents the opportunity to purchase insurance coverage, at no cost to the Board, for injury resulting from accidents sustained by students in school, on school grounds, at an activity sponsored by the school, while traveling between home and school, or in any activity round-the-clock.

Students who enroll in interscholastic activities must be covered by the student insurance or an equivalent coverage. The Superintendent shall review the insurance program annually to obtain the best costs and benefits possible.
